

N. H. BUTTS CANDIDATE FOR RE-ELECTION

VETERAN PUBLIC OFFICER ASKS PLACE AGAIN ON COMMISSIONER'S COURT

N. H. Butts is a candidate for re-election to the office of Commissioner from Commissioner's precinct 2, beats 1 and 2 of Milam county, subject to action of the Democratic primary election on July 28, 1928.

His announcement will be received with interest and acclaim by his many friends over the district who have followed and appreciated his unusual public career.

Mr. Butts in point of service is the oldest member of the court and has served the district well for a number of years. It is said that Mr. Butts has no superior in the state of Texas in his work as commissioner for this precinct. He understands the work and has operated his department in such a way as to afford the greatest possible distribution of the public money and to conserve the resources of the district. He has been economical in all his work and gives the people better roads at less cost than is ordinarily possible to accomplish.

Mr. Butts asks his friends over the precinct to become active in his behalf and invites their vote and support for re-election. He will see the voters of the precinct and talk with them about his plans for re-election.

He promises if elected to render faithful service and to give the people of the precinct value for every dollar expended in the maintenance of the roads.

In Mr. Butts' precinct are some of the best and most traveled roads in the county and these roads are in splendid condition at all

R. A. HAIRSTON FOR RE-ELECTION PREC. 3

POPULAR AND EFFICIENT COMMISSIONER ASKS VOTES FOR RE-ELECTION

R. A. Hairston, commissioner for precinct 3 of Milam county, a popular and efficient member of the court, is a candidate for re-election to that office subject to the action of the Democratic primary election in July.

His announcement for re-election will be received with interest by his friends over the district and the people whom he has served well in this place of responsibility will, his friends point out give him their support for re-election.

Mr. Hairston is asking for re-election on the solicitation of many voters and on the record he has made in this office. He has been efficient and loyal in his precinct and has at all times given the people the best of service, carrying the road funds to all parts of the district and keeping up the main roads of travel.

Mr. Hairston will see and talk to the voters of the district about his candidacy for re-election and hopes to meet all of the voters. In the event he is not able to make as active campaign as he would prefer, he calls upon his friends over the precinct to give him their support and anything they may do for him will be greatly appreciated.

The precinct in which Mr. Hairston serves as commissioner is one of the largest and most important in the county and he has met every demand for service in this important place.

Improvements Made

Max Collins has just completed rearrangement of the interior of his store. New paint and paper have been added and the store will soon have an up to date stock of shoes.

The work was carried out under the supervision of J. R. Hays who recently accepted a place with this popular store.

Grand Jury Convenes

March term of district court convened Monday morning. The civil docket was sounded and several prominent cases set. The following constitute the grand jury: W. S. Lamkin, H. L. Yeager, R. K. Anderson, John W. Patridge, Giles McDermott, D. K. Hall, J. K. Dunham, L. H. Dansby, W. A. Gilbert, C. C. Sproull, J. M. Gilchrist and C. K. Strubling, foreman.

SUPT. T. A. FISHER BACK FROM MEETING

N. E. A. CONVENTION IN BOSTON BENEFICIAL TO EDUCATIONAL LEADERS

Superintendent T. A. Fisher of the Cameron schools returned Monday from the meeting of the Department of Superintendence of the National Education Association held in Boston from February 25 to March 1. He gives the following report of the meeting:

The meeting of the Department of Superintendence and its allied organizations held annually during the last week in February is the greatest gathering of school people held anywhere in the world. Official figures showed an attendance of approximately 10,000 at the Boston meeting.

A special train carried one hundred Texas delegates, while about fifty other Texans took other routes to Boston. Stopovers at New York and Niagara added to the pleasure and the educational value of the trip, and tours to the historic and literary shrines in and around Boston contributed another particularly valuable of these trips were trips to Cambridge, feature. Among the more interesting Lexington, Concord, Plymouth, Marblehead and Salem.

A touch of real New England winter was experienced during the first two days of the meeting when the mercury dropped as low as six degrees below zero. For the most part however the weather was clear and crisp.

The programs of the convention dealt chiefly with the high school phase of education and its relation to citizenship and to higher education. Among the more prominent speakers were president Lowell of Harvard; president Angell of Yale; president Faunce of Brown University and Chancellor Thomas E. Bena of the University of Porto Rico who made a strong plea for better international understanding between the United States and the Republics of Latin America. A particularly interesting address was delivered by Governor Adam McMullen of Nebraska on the subject "The Farmer and the Farmer's Child." The address summarized the economic situation confronting the agricultural interests of America and voiced a plea for the same sort of governmental recognition of the interests of the farmer as has been accorded the industrial interests of the nation. Governor Alvan T. Fuller of Massachusetts spoke on the necessity of high school training for entrance into business and industry.

Colonel Chas. A. Lindbergh and his mother Mrs. Evangeline Lindbergh were honor guests at the closing session. Colonel Lindbergh spoke briefly on the future of aviation. The honor of life membership in the National Education Association was conferred upon Mrs. Lindbergh, who is a teacher of chemistry in the Detroit schools.

The effects of this great educational gathering are sure to be manifest in the remotest corners of the nation. Superintendents who were fortunate enough to be in attendance went away from the meeting with a broader conception of the educational problems confronting the nation and better prepared to administer the concrete problems of the school.

CITIZENS NATIONAL SHOWS GOOD CONDITION

LEADS IN RESOURCES AND CONDITION IS INDICATION OF PROSPERITY

Cashier Irvin N. Clarey, in his statement of the Citizens National Bank shows that institution to be in splendid condition with resources totaling \$1,548,096.47 and deposits totaling \$1,180,175.16.

The Citizens National Bank has been one of the strongest banks in the state for many years and the statement just issued to the United States Government reflects a condition of prosperity and the management of the bank is to be congratulated on the condition of the bank.

Rev. and Mrs. C. C. Weaver of Houston were guests Saturday and Sunday of Mr. and Mrs. W. H. Lawrence. While here to attend the dedication of the new church. Brother Weaver had charge of both services.

PRESBYTERIANS HOLD HOME COMING SERVICE

REV. C. C. WEAVER PREACHES AT SERVICES HERE ON SUNDAY, MARCH 4

The home coming service at the Presbyterian church Sunday morning March 4 was well attended, many former residents here returning to attend services in the new church building which was dedicated Sunday.

Rev. Chas. C. Weaver of Houston, pastor here 32 years ago, was chosen by the local committee of the church to preach the opening sermon in the new church.

The largest crowd seen at a church service in some time attended the services.

The following program was rendered:

Morning Service
Prelude—"Melodie," by H. Engleman.
Processional
Doxology
Prayer
Gloria
Hymn
Scripture reading, Rev. H. G. Kenney.
Prayer, Rev. H. G. Kenney
Anthem—"I Was So Glad When They Said Unto Me," by J. B. Grant.
Announcements
Offertory—"Open Now Thy Gates of Beauty," by E. S. Hosmer.
Hymn
Sermon, Rev. C. C. Weaver.
Hymn
Benediction
Postlude—"Postlude in G," by E. M. Read.

Evening Service
Prelude—"Barcarolle," by G. N. Rockwell.
Processional
Anthem—"All Hail to Thee Immanuel," by Chas. H. Gabriel.
Hymn
Scripture reading, Rev. H. G. Kenney.
Prayer, Rev. H. G. Kenney
Anthem—"Fair Lord Jesus," by F. H. Brackette.
Announcements
Offertory—"A Song in the Night," by E. H. Sheppard.
Hymn
Sermon, Rev. C. C. Weaver.
Hymn
Benediction
Postlude—"March in C," by E. M. Read.

Among those from out of town attending the dedication services were Dr. and Mrs. J. M. Woodson of Temple Mr. Woodson being a charter member of this church and the church and the citizens of Cameron take pride in their former member and citizen. Others attending the services were Judge Cooper Sansom and wife of Georgetown, Judge E. M. Dodson and wife of Marlin, Mr. and Mrs. J. E. Watts and daughter, Ora Quaid; Mr. and Mrs. Paden of Itasca; Mr. and Mrs. John F. McLane of Waco; Mrs. Oscar D. Adams of Dallas; Mr. and Mrs. Clyde Tyson of Hillsboro; Mr. and Mrs. E. A. Camp of Rockdale; Mr. and Mrs. J. S. Barmore and H. L. Atkinson of Maysfield.

Scout Meeting Is Well Attended Here

The first of a series of meetings to revive and extend interest in the Boy Scout movement, was held last Thursday night and at three o'clock this afternoon chairman J. P. Love is to have a meeting of the committee chairmen.

Men interested in scout work from Rockdale and Maysfield in addition to the local men, attended the meeting last Thursday in the basement of the Methodist church.

Patrol leaders have been named as follows: Rev. Wallace Jones, W. G. Gillis and Bob Terry.

A lecture was delivered by Mr. Lawrence, scout executive for this district. This was interspersed by games played by the men who learned of the features of scoutcraft.

A meeting will be held each Thursday night in the Methodist church during the month of March.

Big Dance at Wayside Saturday Night

J. D. Lewis will play at Wayside Inn Saturday night, March 10th. J. D. has one of the best orchestras in Texas and those who have not heard him lately should come out and get a real treat in good dance music.

KOPECKY, BOHEMIAN CHAMPION IS COMING

MATCH WITH KARHUNSAARI ON TUESDAY NIGHT HERE MARCH THIRTEENTH

Joe Kopecky will be in Cameron Tuesday night March 13 for the match with Henry Karhunsari.

This match has been under consideration for the past three months but on account of engagements Kopecky had to meet in North Texas could not meet the Finn.

The match was finally arranged Tuesday night after Karhunsari had won from Ketonen.

Kopecky is well known in Cameron and has many friends here who will no doubt attend the match to see him in action again.

He comes to the local mat with a string of impressive victories to meet the champion Karhunsari in what is termed a championship match by the Legion promoters. Match maker W. E. Lamb considers he is fortunate in being able to bring the Bohemian here.

On account of weather conditions the last two matches have been only fairly well attended. The wrestling season will soon be over but the Legion boys want to bring a few more matches here before the boxing program starts in the spring.

It is learned that the post has been very successful in efforts to raise funds for the memorial building and has already succeeded in raising considerable money. These funds will be used to erect a Legion building in Cameron and friends of the men who went to war believe the shows should be widely patronized so that this building can be assured for Cameron.

With the coming of spring the Legion promoters of athletic shows, it is said, will bring the Legion some of the best fighters known to the game to Cameron for exhibitions staged for the benefit of the building fund fight fans sincerely appreciate this effort and will no doubt give the show a big patronage.

In the meantime the talk is about the match Tuesday night February 13 between Joe Kopecky and Henry Karhunsari. This match will be one of the most important ever staged in Texas since the days of Pet Brinn.

CAMERON STATE BANK STATEMENT IS GOOD

STATEMENT ISSUED SHOWS EXCELLENT CONDITION OF BANK HERE

Statement of the Cameron State Bank as issued by George T. Graves, cashier and published in this issue of The Herald shows the bank to be in splendid condition and to reflect a condition of prosperity for the community.

The bank has resources totaling \$594,309.18 with deposits totaling \$518,360.75.

The Cameron State Bank has been a tower of strength in the commercial life of the community for a number of years and its showing on the present statement is an indication of sound banking principles and steady growth.

Terral Heights Lots Are Sold By Milner

Sale of a large number of lots in the Terral Heights Addition to the city of Cameron by the Milner Company of San Antonio featured real estate activities here last week.

The company was very successful in selling this desirable property. The lots were sold on the lowest terms ever advertised here in connection with real estate transactions and will make more homes for Cameron.

The Milner Company with offices in Denver and San Antonio are nationally known realty dealers and their work here in connection with the Terral Heights addition was very satisfactory.

BUSINESS AND PROFESSIONAL WOMEN'S CLUB TO MEET

The Business and Professional Women's Club will hold their regular monthly meeting at the Country Club Monday evening, March 12th at the Country Club, meeting called for 7:30 o'clock.

CLUB TO RAISE \$1950 TO AID DUNCAN ROAD

DELEGATION PRESENT MATTER AND GET CO-OPERATION ON PROJECT

The city of Cameron will be asked to raise \$1950 to match a like amount raised by citizens of the Duncan community to build a road leading to Cameron. The Commercial Club has given its endorsement.

Roll call showed the following named present: F. J. Beckerman, Frank Lesovsky, W. M. Cobb, J. W. Coleman, J. D. Dobbins, W. R. Hoover, F. E. Jackson, Rev. E. S. Hutcherson, B. V. Shirley and J. C. Mayfield.

Minutes of last meeting were read and approved. Moved that drive be put on to wind up the gas campaign by Thursday, March 15. Carried.

A delegation of citizens from Duncan community was present and Luther McDonald was recognized and stated that a local committee had raised \$1950 in cash and labor to grade and gravel three and three-fourths miles of road from Worley gin to Duncan school house, in order to give a good road to Cameron, and asked local aid to raise the other half of the necessary amount. Mr. Worley was also heard on this proposition. Moved that the Commercial Club endorse the project and help to put it over. Carried.

The good road committee was designated to help the Duncan committee to raise a part of the money.

F. E. Jackson moved that the club donate \$15 towards paying the rat killing campaign prizes. Carried.

There being no further business the club adjourned.

Ketonen Is Injured And Match Goes To Henry Karhunsari

For the second time in his matches with Karhunsari, in Cameron, Waino Ketonen, the world's middleweight wrestling champion, was injured in the first fall and was unable to return to the mat, thus forfeiting the match to the Finn who now lays claim to the championship.

Ketonen left Cameron Wednesday morning and will not be seen on the mat here again this season. He is one of the greatest and cleanest wrestlers the game has ever known and has a large number of friends in Cameron.

The match Tuesday night was rough. The men being cautioned for slugging. Ketonen was injured in the ropes and lost the first fall to the Finn. He offered to return to the mat if the fans demanded it but the referee, McElwath gave the match to Karhunsari. The fall was made in 55 minutes.

The match was preceded by a preliminary boxing event of six rounds between Speedy Braden and L. Matula. This event was well appreciated.

First Baby Chicks

The first big hatch of baby chicks for spring will be off the incubators at the Cameron hatchery next Tuesday, March 13, according to announcement of the management here.

The Sunshine Hatcheries have a large demand for Cameron hatched baby chicks and the first hatch will have a wide distribution over the state.

FIRST NATIONAL BANK ASSETS OVER MILLION

DEPOSITS NEAR MILLION AND RESOURCES OF BIG BANK \$1,202,895.87

Statement of the First National Bank published in this issue of The Herald by Fred B. Cable, cashier, shows total resources of \$1,202,895.87 and deposits totaling \$932,585.67.

The First National Bank recently took over the interests of the Texas State Bank and Trust Company, the two institutions merging.

With resources over a million the First National is one of the strong banks of the state and is the oldest bank in Milam county.

Conditions of all Cameron banks are good and the community is in splendid financial condition.

FOUR DIE IN GRADE CROSSING ACCIDENT

RELATIVES OF MRS. GOHMERT DEAD AT BELLVILLE IN CRASH

Bellville, Texas, March 6.—Four men and two children were instantly killed here at 4:14 p. m. in a crossing collision between a coupe and a Santa Fe freight extra at Sanders crossing on Houston-Hempstead highway.

Mrs. Charles E. Brown, 20 the coupe; Myrnee Sanders, 14, Jeanette Kreuger, 4, and Hattie McDonald, an 8 woman, were the victims.

The accident occurred almost directly of the Sanders home where the car had been visiting for weeks.

Mrs. Brown was a cousin of L. F. Gohmert of Cameron and Gohmert and Mrs. H. C. Keith attended the funeral. The many friends here of Mrs. Gohmert will sympathize with her in this tragic loss of her relative.

Gets First Ford

Irvin N. Clarey, cashier of the Citizens National Bank, is the first to receive one of the new Ford cars delivered by the Hubert Hefley Motor Company. Mr. Clarey received the car, a roadster, last week.

An advertisement in this issue by the local dealers announce that the assembly plants began operation on March 5 and but a few days remains until deliveries will be made.

"It won't be long now," says Mr. Hefley.

GAS CAMPAIGN NEARS GOAL IN CAMERON

COMMITTEE LACKS ONLY SIXTEEN SUBSCRIBERS TO NOON THURSDAY

Cameron will get a natural gas supply.

Up to noon Thursday only 16 subscribers were lacking to secure the 500 needed for the gas company demands.

It is now assured that the city will get natural gas and within a short time. As soon as the number of subscribers needed have been secured the Community Gas Company of Dallas will be notified and the plans will then be made for laying the lines into Cameron.

The committees are to be congratulated as well as the citizens for their display of interest in the welfare of Cameron.

Secretary Cobb of the Commercial Club reports that the required number of subscribers will be signed up by Saturday is the belief of the committee.

It is understood that the gas company will begin work at once on the lines to insure early operation of the company in Cameron.

Pool Week At Collins Saturday, March 10th

Demonstration of Pool garments in Cameron at the Max Collins store has been announced for Saturday, March 10th.

Representatives of the Pool factory in Sherman will be here to demonstrate the garments manufactured.

Mr. Pool is a former citizen of Cameron. Mr. Collins has advertisements in both papers this week.

Rockdale Signs Up For Natural Gas

Rockdale, Tex., March 6.—The committee on drive to secure natural gas for Rockdale wired the Community Gas Company at Dallas that the quota of 310 signed contracts had been completed and money deposited in the bank.

Building New Home

Mr. Lasikar has under construction a home in the Green addition to the city of Cameron. This home will be completed in a short time and will be a splendid improvement for that section of the city. Many new homes have been built in that section of the city.

NAUSEA

This and Other Troubles Relieved By Black-Draught.

Mrs. Ada Blackmar, of Alexander City, Ala., writes: "From time to time, I would have spells of nausea . . . which would put me to bed. I would turn a dull, yellow color and, for days at a time, would have no appetite. Everything I ate sickened me. My mother had been a user of Black-Draught for years, so while I was at home, visiting, she asked me why I did not try Black-Draught for my troubles.

"I began taking a small dose, three times a day, before meals. I kept this up for several weeks, and it was just a little while before I began to notice an improvement in my condition.

"Black-Draught is certainly a fine medicine." You will say the same thing, once you have tried Thedford's Black-Draught. For sale everywhere. 25c.

Court Proceedings

The March term of District court convened here Monday and grand jury impaneled with C. K. Stribling as foreman.

The following cases have been set for trial to-wit,

State of Texas vs. B. F. Ackerman, guardian, civil suit on March 11th.

August H. Gohman vs. T. & N. O. Railroad Company and Mrs. Claudio Hudson Caffey vs. Mrs. Minnie Stewart et al on March 19th.

Mrs. Kate Rogers et al vs. Mrs. Jennie Porter et al and Mrs. Mattie K. Barclay et vir vs. Jeff T. Kemp, et al on March 26th.

Mrs. G. Hart vs. Milam Mutual Aid Association on March 22nd.

Mrs. Jack O. Allen vs. Milam Mutual Insurance Association on March 29th.

Burlington Lumber Company vs. Frank Wilson et al and Minerva Mercantile Company vs. Cameron Compress Company on April 2nd.

Arnold Felfe vs. B. Finn on April 4. State of Texas vs. Edwin Herd on April 9th.

W. F. Smith vs. James Mertz, April 11th.

First National Bank vs. J. T. Parma on April 16th.

Preston Perry Jr., vs. L. L. Blaylock on April 23rd.

The criminal docket will be sounded after grand jury makes its report.

P. T. A.

The meeting of teachers and parents, held at the Ada Henderson school on Tuesday afternoon, resulted in the organization of a Parent-Teacher Association for Cameron and a County Council of Parent-Teacher Associations for Milam County.

The meeting was conducted by T. A. Fisher, who spoke with deep appreciation of the great good to be accomplished by this bond between home and school.

Mrs. E. O. Siecke of College Station District President of the Texas P. T. A. outlined the constructive work of present day P. T. A. programs.

Officers of the Cameron Parent-Teacher Association elected at this meeting were Mrs. Henry Hefley, president; Mrs. Frank Lesovsky, vice-president; Rev. J. P. Love, Recording Secretary; Mrs. J. B. White, Corresponding Secretary; Miss Edna Sprinkle, Treasurer. The local organization will meet monthly. The date of meeting will be announced by the executive committee in next week's paper.

The County Council, made up of two officers from each county P. T. A. and one representative for every ten members, has as its special work, the study and improvement of educational work for the county. Meetings of the County Council occur quarterly. The officers elected at Tuesday's meeting for this country are: Mrs. Tom Evard, Minerva, President; Mrs. O. D. Graham, Thorndale, Vice-President; Mrs. John Green, Cameron, Secretary; Mrs. J. T. Criswell Buckholts, Treasurer.

Mrs. Kathryn K. Robbins, County Superintendent, gave a very clear statement of the need for this county council in Milam County.

Christian Aid

The ladies of the Christian church met at the church for a short business session preided over by Mrs. Jim Neinast who also led the devotional.

Auction 42 Club

Mrs. Chas. McDermott very charmingly entertained the members of the Auction 42 Club and a number of friends Tuesday afternoon at her home at three o'clock. The approach of spring was heralded by the use of many sprays of peach blossoms. Tallies and score pads also showed gay spring flowers.

Four tables were set out in the living room and a merry two hours was spent at play. At the conclusion of the evening the hostess assisted by Mrs. Pope Sapp served a salad course with tea, which also carried out the chosen color scheme. The table favors were pink potted begonias. These fell to Mesdames John Mangum, C. W. Bradbury, Swift, and Clifton Jenness.

Guests honored were: Mesdames Wm. Cobb, John Mangum, Wiley Mangum, George Graves, Qasheer Smith, Howard Baskin, Pope Sapp, John Snyder of El Paso and Swift of Gardner, Maine.

A. J. Griffin

Mr. A. J. Griffin died at this home in Yarrelton Friday and was buried at North Elm Cemetery Saturday afternoon. Funeral services were held at the Yarrelton Baptist church and conducted by Rev. Elliott of Buckholts. Deceased was a prominent and influential citizen and had resided in Milam county many years. He was born in Calhoun county, Alabama in 1850 and came to Texas in 1876. He is survived by his wife, three sons, Frank, Charles and Jack and two daughters, Mesdames John Lott and Ralph Clark. A large crowd attended the funeral and the floral offerings were beautiful.

RED PEPPERS END RHEUMATIC PAINS

When you are suffering with rheumatism so you can hardly get around just try Red Pepper Rub and you will have the quickest relief known.

Nothing has such concentrated, penetrating heat as red peppers. Instant relief. Just as soon as you apply Red Pepper Rub you feel the tingling heat. In three minutes it warms the sore spot through and through. Frees the blood circulation, breaks up the congestion—and the old rheumatism torture is gone.

Rowles Red Pepper Rub, made from red peppers, costs little at any drug store. Get a jar at once. Use it for lumbago, neuritis, backache, stiff neck, sore muscles, colds in chest. Almost instant relief awaits you. Be sure to get the genuine, with the name Rowles on each package.

Maysfield 4-H Club

The 4-H Club of Maysfield met on February 24th in the auditorium of the school building with nine members present. Roll call was responded to by each member. Miss Bartholomew was present and made an interesting talk.

Nineteen trees including pears, plums and figs were reported planted, also thirty-one rose bushes were planted. Four girls have put out cabbage and tomato plants. Six have planted seed and plants.

Dress making was also discussed. We planned to hand in all articles that are finished at the next meeting which will be March 9th.

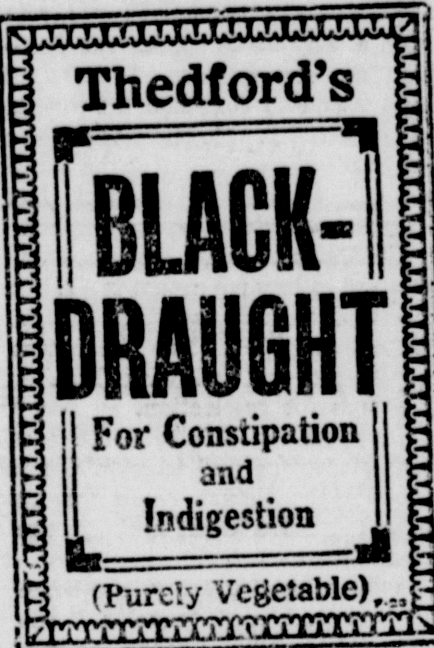

On February 23rd Mr. Gantz, Mr. Richardson and Mrs. Robbins visited

our school. Mr. Gantz made an interesting talk on 4-H Community club. Mr. Richardson and Mrs. Robbins also made short talks which were enjoyed by all. We enjoyed as visitors the teachers and pupils of the Branchville school, also some of the patrons. There were several from Belmena also. We enjoyed having these people with us and extend to them a cordial welcome to come again.

Reporter.

Stop That Itching

Use Blue Star Soap to cleanse the affected parts, then apply Blue Star Remedy. It penetrates the skin, kills out the germs, stops the itching at once, and restores most cases to a healthy condition. Eczema, Tetter or Cracked Hands, Poison Oak, Ringworm, Sore Blistered Feet, Sunburns, Old Shin Sores—all of these have yielded to its wonderful healing power. 60c and \$1.00 a Jar. Soap 25c. Manufactured by Star Products Co., Cameron, Texas.

**HEAD STUFFED FROM
CATARRH OR A COLD**

Says Cream Applied in Nostrils
Opens Air Passages Right Up.

Instant relief—no waiting. Your
clogged nostrils open right up; the air
passages of your head clear and you
can breathe freely. No more hawking,
snuffling, blowing, headache, dryness. No
struggling for breath at night; your cold
or catarrh disappears.

Get a small bottle of Ely's Cream
Balm from your druggist now. Apply
a little of this fragrant, antiseptic, heal-
ing cream in your nostrils. It penetrates
through every air passage of the head,
soothes the inflamed or swollen mucous
membrane and relief comes instantly.
It's just fine. Don't stay stuffed-up
with a cold or nasty catarrh.

Dodge Brothers Victory Six Engine—Sectional View

GEORGE BANZHAF HOLDS RECORD FOR SERVICE

HAS SERVED MILAM COUNTY
FOR TWENTY YEARS AS
FARM AGENT

(Dallas News)

George Banzhaf, agricultural agent
of Milam county holds the world re-
cord as the only agricultural agent
that has served the same county con-
tinuously for twenty years.

Mr. Banzhaf began the work in
Milam county in February, 1908, some
five years after the first county agent
took up his duties in Kaufman county.
Business men of Cameron and Rock-
dale, anxious to combat the boll wee-
vil and improve farming conditions,
subscribed half the money necessary
to pay his salary, A. & M. College
extension service paying the other
half. A few months later, the Com-
missioner's court took over the fi-
nancing of Mr. Banzhaf and has been
employed continuously. He was se-
lected as county agent because of a
wide local reputation for being a good
farmer.

Methods Improve

"If the same farming methods were
used now as were in vogue twenty
years ago, farmers would surely be
up against it," declared Mr. Banzhaf
in a recent interview. "Farmers are
today more prosperous, have a higher
standard of living, have better homes
and more and better machinery.

"Take my early corn and cotton

work, for example. Back in 1908 our
farmers thought seed was seed, so I
started seventy-five demonstrations
with as many men, each one planting
three bushels of 'Government' cotton
seed. I visited each one of these de-
monstrations every month in a two-
wheeled sulky or on horseback, start-
ing out Monday morning and return-
ing Saturday night, and boarding
around in the meantime.

Most of them didn't know what it
was all about at first, and some of
them were quite suspicious but curi-
osity led them into the work. It was
the success of the early demonstra-
tion that made the work stick here. I
still work with a few of these origi-
nal demonstrations, but on different
projects now, for, as I started out to
say, the indirect influence of these
demonstrations has been so great that
for years practically all farmers have
recognized the value of good seed and
careful cultivation.

Starts Corn Clubs

In 1910 J. L. Quicksall, district
agent, brought the corn club idea to
Milam county and Mr. Banzhaf or-
ganized a club with a membership of
100. Corn club work was a success
right from the start, as an indication
of which he recalled that one of the
first annual club fairs had ninety ten-
ear exhibits. A cotton club was added
in 1913 and a pig club in 1914.

"It was easier to get corn club
members than now," asserted Mr.
Banzhaf, "for there were no other dis-
tractions and parents seemed to en-
courage it more then. These club
boys of mine have made good in the
world. About 75 per cent of them
have gone into farming right here in

Milam county and most of them count
among the most progressive farmers
we have.

Terracing New Idea

"I took up terracing in 1914 as a
new-fangled scheme that looked good.
It took years of individual terracing
to demonstrate that this is a paying
practice. I now reach about seventy
farms yearly with this work, and it
is impossible to keep up with the de-
mands.

"When I started to work I had to
send in a report every night. Along
about 1919 this changed to weekly
reports and in 1921 this changed to
monthly reports."

Mr. Banzhaf was born in William-
son, Pa., and came to Texas when he
was eight years old, settling with his
brother in law and sister at Minerva,
known as that time as Midway. He
walked three miles to Rice school-
house, which was the nearest insti-
tution of learning. In those days
they had school only three months in
the year and students could not at-
tend free school after they passed the
age of 14.

When 18 years of age he bought a
farm between Minerva and Rockdale
and lived in the same place until six
years ago when he moved to Rockdale
to be with his daughter. He has been
living in Cameron about four years.

Card of Thanks

We wish to thank our many friends
and loved ones for their assistance
and kindness, and for their floral of-
ferings given us in the recent illness
and death of our dear husband and
father.

CLEAN UP

There is no "sure sign" of spring, but spring should be a "sure sign" of the arrival of that time for the community to clean up. There is no superstition or prophesying about this clean-up sign.

When warm weather has come to stay (until cold weather returns in the autumn) every owner of property and tenant should instinctively feel it his duty to remove the evidences of winter's ravages and to aid and augment nature in her work of re-beautification.

Every spring clean-up program should include disposal of winter's accumulation of litter and decayed vegetation, repairing and repainting of buildings, and landscape gardening. Landscape gardening is no longer associated with large estates alone.

Cleanliness about the person or the home costs nothing. A community clean-up need involve no expense, except of a moderate amount of labor on the part of the householders. If there ever were excuses for uncleanness they were removed long ago.

What is the compensation of a community-wide clean-up campaign? It improves the general health of the community by removing deposits that are breeding places of disease germs and disease carrying insects. A clean town is a better place in which to live than one that is unsanitary and unsightly. And the

best community advertising is the appearance of being "cleaned-up, painted-up and planted-up."

THE SPRING QUEST

Once more is drawing near that time of year when many an individual has reason to regret that he or she has not completed a course in memory training.

Twice a year every household undergoes a seasonal readjustment. In the autumn summer things are packed away and winter things come out; in the spring winter things are packed away and summer things are again put into use.

Now, all careful people are particular to put things away just where they can reach them. When they put them away they know just where everything is, but six or eight months later the question is, "Where?"

Soon will begin the great vernal hunt for the screws that hold the screen doors on their hangers, the springs for said doors, the screws and tackle for the awnings, the oil can for oiling the lawn mower, the garden tools and left-over seeds from last year's planting. Everything is somewhere, but that some place has a tantalizing habit of being the last place one would think of looking.

Householders are at fault in that they do not realize the gigantic task involved in putting things away and taking them

out. One doubts that there is an efficient enough memory course to solve the universal problem, and there are just as grave doubts that there is an office index system with enough cross indexes to end this exasperating game of hide and seek.

Civilization may have its advantage, but at this time of the year there are reasons for envying the Hottentot.

HONESTY OF THE YOUNG

Scientific investigators are learning many facts about children which it is suspected parents have long known. After the experts have learned all there is to learn from their 3 year's study of "honesty" among school children, they will probably know no more than every parent of a normal child already knows.

Tests have been devised to discover tendencies to lie, cheat or steal. At the same time ordinary intelligence tests were given in order to show the relation between good sense and good character, if any. The results indicate the most intelligent child is likely to be most honest.

A number of questions designed to probe the religious and filial feelings were answered as might have been expected, and the children were convicted of overstatement. Apparently they all thought it desirable that they should seem pious and dutiful, and they said that they thought it their duty to read the Bible every day, to pick up broken glass in the street, to speak kindly to their parents and instructors, and to try to get the license number of a motor vehicle if they suspected the driver of speeding.

Most children have an uncanny knack of reading the mind of a questioner. They are as shrewdly observant as monkeys, and a really intelligent inquirer often has to resort to trickery to get to the bottom of their busy little minds.

Miss Spring is expected to act a little bit forward.

The world gets better. You seldom see detachable cuffs now.

Being good because there is nothing else to do doesn't count.

Philosophy is just the art of listing sore spots as experience.

When a gossip meets a rumor the recording angel writes shorthand.

All reports are not in yet, but the fruit crop has undoubtedly been killed.

The only necessary apology for having nothing to say is to say it entertainingly.

Leaders are born. Mussolini couldn't have cultivated a thumb as efficient as his.

And yet consistency may be just a confession that you've developed your limit of horsepower.

You never realize what real fatigue is until you have been talked at by somebody who is intensely earnest.

Russians are backward in the production of motion pictures, reports a commentator returned from Moscow. Accounted for by the scarcity of custard pies.

Mrs. Willard Skelton is recovering from a severe attack of flu.

An interesting development of the Presbyterian program here Sunday when the new church building was dedicated and the home coming of former members was held was the baptism by Rev. C. C. Weaver of the babies of Mr. and Mrs. Fred Jackson and Mr. and Mrs. Ted Epperson. Rev. Weaver has been a friend of these families for many years.

Endeavor Hike

Last Monday afternoon the members of the Junior Christian Endeavor of the Christian church went for a hike out to the bridge near the country club. Games were played under the supervision of Rev. and Mrs. Wallace Jones until a late hour after which waffles and marshmallows were toasted and fully enjoyed by about twenty-five people.

John H. DuBose, county clerk of Bell county, was in Cameron on legal business.

Mr. R. E. Sutton of Belton was a business visitor in Cameron Tuesday.

Cane hay and ear corn wanted, Green Produce Company. 44-2tc

A. J. Griffin

On last Friday evening, March 2nd the death angel took Mr. A. J. Griffin, a devoted husband and a loving father from our midst. He leaves a wife and five children, three brothers and several grand children to mourn his loss. The children are Frank, Charlie, Zack, Mrs. John Lott, and Mrs. Ralph Clark all of Yarrrelton. They were all present when death came.

Mr. Griffin was born in Calhoun, Alabama, December 20, 1850 and moved to Texas in 1876. He joined the Baptist church when he was seventeen years old. He will be greatly missed at church and Sunday school. He came regular until two years ago when his health began to fail. The wife and children are left broken hearted over the loss and a shadow of deepest gloom is cast over the hearts and lives of friends and loved ones. To know him was to love him.

He was married to Miss Nancy Coward in December of 1889. He was tenderly cared for by his daughter, Mrs. Ralph Clark all during his lingering illness. He was a man of strong Christian character, patient, loving, self sacrificing. Life will never be quite the same to those who knew him and those who were nearest to him will long with unutterable longing for a father's council and a husband's gentle and loving sympathy.

Well may his children cherish his memory as a precious legacy and we faint would say a word of comfort to the stricken ones but we can only commend them to our heavenly Father who alone can heal their broken hearts.

The funeral was held at the Baptist church at Yarrrelton by Rev. W. R. Elliott. Interment was made in the North Elm Cemetery where Green Bros., undertaking firm had charge. Beautiful floral offering marked the grave. Pall bearers were Jim Mann, Marshall Terry, Joe Gibbs, Clarence Calhoun, Sam Clark and George Fikes.

A Friend.

"TIZ" FOR TENDER, SORE, TIRED FEET

Ah! what relief. No more tired feet; no more burning feet, swollen, bad smelling, sweaty feet. No more pain in corns, callouses or bunions. No matter what ails your feet or what under the sun you've tried without getting relief, just use "Tiz".

"Tiz" draws out all the poisonous exudations which puff up the feet. "Tiz" is magical; "Tiz" is grand. "Tiz" will end your foot troubles so you'll never limp or draw up your face in pain. Your shoes won't seem tight and your feet will never, never hurt or get sore, swollen or tired.

Get a box at any drug or department store, and get relief for a few cents.

Smile and the World Smiles With You

A visit to our store for one of those cool and sparkling sodas, or a dish of our famous ice cream will make this old adage a verity.

MEMBER OF BEN FRANKLIN LEAGUE
CAMERON ON THE SQUARE TEXAS

Mr. and Mrs. J. E. Watts and two daughters, Ora Quaid and Martha of Masca were here Sunday to visit old friends and to attend the dedication of

the new Presbyterian church. Mr. and Mrs. Watts made Cameron their home for a good many years and are always welcome guests for return visits.

The Mighty Finn When He Was 24

Here is a photo of Henry Karhuna when the Mighty Finn was 24 years of age. He is wearing the belt he won in Finland three times for the championship there. Henry has been in this country for a number of years and he has been at the top of the game. He has won from Ketonen twice when the Worcester champion could not return to the ring. He is here meeting all comers, claims Cameron his home and believes he can beat Kopecky in the coming match in Cameron.

FOR SALE—Two big bone Poland China boars, good breeding boars, one weighs 750 pounds and one 500 pounds, will sell for 8 cents the pound. Itp

Hicks Garner, Jr.

Little Hicks, Jr., the son of Mr. and Mrs. Hicks Garner of Sharpe, died at the Cameron hospital at seven o'clock Saturday afternoon, March 3, 1928. Little Hicks had been ill for only a few days. Developing double pneumonia Friday night, he was brought to Cameron Saturday morning, where he died that afternoon. At the time of his death he was four years, seven months and 22 days old, being born July 12, 1923. He was a bright and lovable little fellow, who endeared himself to all who knew him.

Funeral services were held at the Sharpe church at ten o'clock a. m. Monday, March 5, conducted by Rev. V. D. Brazeale, pastor of the San Gabriel Baptist church, interment in the Sharpe cemetery followed.

The pall bearers were Messrs. Hall and Eugene Massey, Lem Dunham and Dallas Duncan.

Coleman-Eplin undertaking firm directed the funeral arrangements.

We extend sympathy to the bereaved parents and little sisters in their sad loss. To their hearts, made lonely by his going, may consolation come with the knowledge that "A love that is sweeter than our, holdeth our boy in its keeping today."

Methodist Church

Our Sunday School attendance showed an increase over the previous Sunday. We are hoping that the flu will soon depart from us and that our people may all have the opportunity to attend.

Every committee in connection with our Attendance and Personal Evangelism campaign should render full service this week. Every member of the church is a committee of one to invite others to church. If weather conditions should be favorable the attendance should exceed anything so far.

At eleven o'clock the pastor will preach on "The Baptism of Power for Service." If you want to be of service in the church you will be helped by this sermon.

At 7:30 the subject will be "Chips and Whetstones." If you hear this sermon and don't like it you are at liberty to criticize it as strongly as you please. If you don't hear it don't

criticize it on hearsay. The sermon will be plain, it may hit you.

That good choir never does disappoint us.

Order of Election

BE IT RESOLVED by the City Council of the City of Cameron, Texas that an election be held in said city of Cameron on the 3rd day of April A.D. 1928, the same being the first Tuesday in said month, for the purpose of electing the following officers, to-wit: Mayor, City Attorney, Assessor and Collector, Secretary and Treasurer, City Marshal and two Aldermen for a term of two years from said date, and it is so ordered.

Said election shall be held at the city hall of the city of Cameron, and the following named person is hereby appointed as manager of said election, to-wit, John B. Henderson, presiding judge, and he shall be authorized to appoint such assistants and clerks as may be necessary to hold said election in accordance with law. The manner of holding said election shall be governed by the laws of the State of Texas, regulating general elections.

A copy of this order, signed by the Mayor, shall serve as a proper notice of said election, and the Mayor is directed to cause notice of said election to be posted at the place designated for holding said election and by publication in some newspaper published in the city of Cameron, for at least thirty full days prior to the date of

election. Introduced by Alderman, J. B. Brown.

Passed at a regular meeting of the City Council of the city of Cameron, Texas, this the 21st day of February, A. D. 1928.

Judd G. Davis, Mayor,
43-4tc City of Cameron, Texas

BE PRETTY! TURN GRAY HAIR DARK

Try Grandmother's Old Favorite
Recipe of Sage Tea
and Sulphur

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this famous old recipe, improved by the addition of other ingredients, at a small cost.

Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, glossy and attractive.

Good Health

Keeps a Man Young!

JOE KOPECKY

Here is a photo of Joe Kopecky who wires from Amarillo Wednesday offering to meet Henry Karhunaari for the world's middleweight wrestling championship. The challenge has been accepted and now preparations are being made for the men to wrestle here Tuesday night, February 13.

Kopecky is well known in Cameron and Milam county. He has been wrestling for a number of years and is recognized as the Bohemian champion.

He has met and conquered some of the best known men on the American mat. He travels with a show most of the time. The match has been under course of arrangement for three months but Kopecky could not come here sooner than March 13.

It is believed that many old friends of Kopecky will attend the match to see him in action against the Mighty Finn.

Monday Bridge Club

Miss Ruby Lingert entertained the Monday night bridge club at the home of Mrs. J. L. Barmore on Thirteenth Street. The rooms of the home were attractively decorated in St. Patrick colors and symbols. Bowls of narcissus gave floral charm and fragrance. Three tables were arranged for the games and at the conclusion the hostess served a dainty salad plate featuring the chosen color with hot tea. The plates were served on trays decorated with dainty luncheon sets having for centers novelty pigs filled with candy and plate favors were tiny pigs. By each plate was placed a green basket of mints.

For high score prize a hand painted boudoir pillow was given and Miss Dulce McCall received it. Table cuts were received by Mrs. W. D. Bigbee and Misses Bill Fontaine and Mary Burnett. Guests for the evening were Mesdames Thad Epperson, W. D. Bigbee, Penn Wolf and Miss Jolly Blanche Pitts.

Presbyterian Auxiliary

The ladies of the Presbyterian church met in circles for the study of "The Women of the Testament".

Circle one met with Mrs. Henry Sapp with eight present. Circle two met with Mrs. W. G. Gillis with five present. Circle three met with Mrs. N. H. MButts with five present. Circle four met with Mrs. John Muse with five present.

Ouch! Rub Backache, Stiffness, Lumbago

Rub Pain from back with small trial bottle of old "St. Jacobs Oil."

Back hurt you? Can't straighten up without feeling sudden pains, sharp aches and twinges? Now listen! That's lumbago, sciatica or maybe from a strain, and you'll get relief the moment you rub your back with soothing, penetrating "St. Jacobs Oil." Nothing else takes out soreness, lameness and stiffness so quickly. You simply rub it on your back and out comes the pain. It is harmless and doesn't burn the skin.

Lumber up! Don't suffer! Get a small trial bottle of old, honest "St. Jacobs Oil" from any drug store, and after using it just once, you'll forget that you ever had backache, lumbago or sciatica, because your back will never hurt or cause any more misery. It never disappoints and has been recommended for 60 years.

INDUSTRY HELPS AGRICULTURE BUILD UP THE SMALL TOWN

Decentralization of Manufacturing Brings Markets for Products Closer to the Farm—Gives Employment and Better Standards of Living to Rural Communities.

By T. R. PRESTON
President, American Bankers Association

NO class of people has been more diligent in trying to understand the agricultural problem than the bankers of this country. The agricultural problem is a real problem and demands the best thought of everyone. This country cannot continue along happy lines with only sections of the country prosperous. Prosperity must be passed around if anybody is long to enjoy it. This question cannot be solved by the farmers alone, but the majority opinion is that there is no legislative remedy for agriculture. It is an economic question pure and simple and must be worked out accordingly.

A few years ago it was contended that agriculture did not have sufficient credit facilities. That proposition was often made a political question. I do not presume there are many who will question the fact that agriculture now has ample credit facilities.

Mixing Farms and Factories

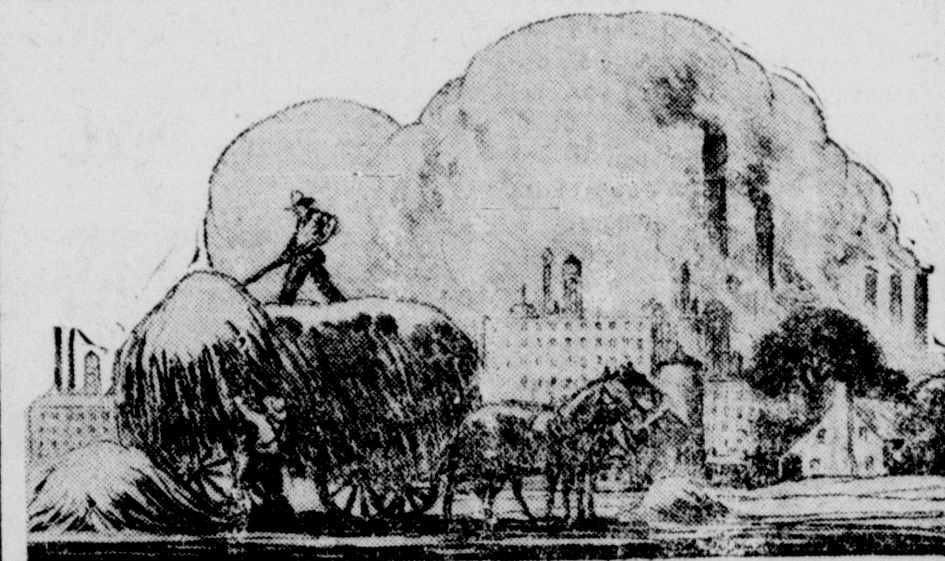

It is a fact that no community and no state has ever become great purely from agriculture. It is not to the interest of New York and other great centers to see the small communities and the agricultural sections losing their wealth and importance. In the end it will react upon them to their disadvantage.

There seems to me a real remedy for these small communities and also for agriculture. This remedy, which is the mixing of industry with agriculture, is now being applied in many localities with satisfactory results.

Industry and agriculture are better balanced in Ohio, North Carolina and Pennsylvania than in any other states of the Union, and in these states there is no serious agricultural problem and we hear little complaint from the farmers. This mixing of industry

ing examples from my own state to prove this proposition, and I mention these because I am more familiar with conditions there than elsewhere.

Twelve years ago Kingsport, Tennessee, had a population of about one thousand. Great industries like a large camera company, a big cement plant and a number of other industries were located there partly through the influence of an outstanding New York business man. In a little more

Mixing Industry With Agriculture Means Prosperity for Rural Districts

and agriculture is called by some decentralization of industry.

I would not suggest that manufacturing institutions move from the cities to the small villages, but I do think it would be better for this country for future industries to be placed in these small villages rather than to be further congested in the great centers. This would in part also be a solution of our labor problem. The bringing of industries to small villages increases the market for agricultural products, gives employment to surplus labor, elevates the standards of living, increases public revenue, reduces taxes and vastly increases educational facilities.

Two Striking Examples
I believe I can give you two striking examples of the results of this policy. In the first instance, I refer to the city of Elizabethton, Tennessee. Just a few miles away at Elizabethton, they are building a great rayon plant, the first unit to cost \$5,000,000. The population of that town is now two thousand, but it is estimated that this will be multiplied by five in less than two years. It is stated that the total investment in manufacturing industry in that community within a period of five years will probably reach \$50,000,000.

The balancing of industry and agriculture will solve most of our so-called agricultural problems and we will not need such political measures as will in my opinion, do harm if enacted to the very class they pretend to benefit.

House Party

Mrs. Pearl Mangum Graves is entertaining in her home this week a group of friends from out of town. In former days these splendid women were the closest of friends and chums. They were schoolmates and after they were out of school spent their girlhood here in Cameron enjoying that same sweet friendship. Those in the house party are Mesdames Annie Laurie Pruett, Dell Sims Isaacs, May Ford Snyder and the hostess Pearl Mangum Graves. All were Cameron girls with the exception of Mrs. Dell Sims Isaacs

but she was included in all their social affairs and they made her visit at her home in Rockdale. Wednesday Mrs. Graves will give a tea honoring her guests. Thursday Mrs. John Mangum will entertain with a bridge luncheon and Friday the members of the house party will spend the day in Rockdale the guests of Mrs. Isaacs.

21,000 RATS SLAIN IN COUNTY CAMPAIGN

\$10,000 SAVED PEOPLE AS A
RESULT OF WAR ON
RODENT

Of the thirty schools enrolled in the rat killing contest in Milam county only twenty stayed in the fight until the finish and if all of the schools in the county had shown the same interest and enthusiasm as the twenty school who stayed in until the close of the contest, at least three times as many rats would have been exterminated. As it is, the results are gratifying indeed to Mrs. Kathryn K. Robbins, County Superintendent, who has been directing this campaign through the teachers and children in the schools of Milam county.

The first prize of \$25.00 offered to the school that killed the greatest number of rats, based on the percentage of enrollment, goes to Union Ridge where Miss Minnie Lee Massey is principal. The award is to be used for playground equipment, additional school library or whatever the teachers and trustees may decide will be most needed and enjoyed by all the pupils. Union Ridge is only a one-teacher school with an enrollment of twenty-four children but these children killed an average of 84 rats each. Miss Massey had the largest enrollment in the contest sent in from any one school, all fifteen children out of the twenty-four enrolled were actively engaged in the campaign. The number of rats killed by each child from 6 to 422. Marak school has the honor of having killed the second greatest number based on enrollment. Mr. Louis F. Hrneir is principal and the seventeen children enrolled, killed 858 rats. Burlington was second when it came to the number of children enrolled in the contest and Duncan was third. Misses Ollie and Myrtle Henson are the teachers in Burlington and Misses Louise Jamison and Mollie Mae Modesette are the teachers of the Duncan school. These teachers are to be congratulated upon their ability shown to marshal all the forces available in order that these pests might be eradicated.

Individuals winning prizes are as follows:
First place—Marion Wilson of Lilac school killed 1597 rats.
Second place—Hosea Sessions of Milberton school killed 1,385 rats.
Third place—J. C. Armstrong of Oakville school killed 1220 rats.
Fourth place—Huel Cook of Val

Verde school killed 1100 rats.
Fifth place—J. T. Maleik of Burlington school killed 1077 rats.
Sixth place—Chas. Webber of Duncan school killed 814 rats.

M. G. Gregory of Duncan school deserves honorable mention as this child killed 422 rats and there were many others who killed as many as 200 rats each.

The Commercial club of Cameron awarded \$15.00 and the remainder of the \$50.00 is to be made up by the business men of the county.

A total of 21,678 rats was reported killed and taking the figures given by the U. S. Health Bureau, if each rat consumed \$1.86 worth of feed a year the destruction of over 21,000 rats means the saving of \$40,419.08. Attention is called to the fact that only this number has been reported but thousands more have been killed in the campaign that were never counted and no account has been taken of the thousands and thousands of little rats that would have infested this country before the spring was over. Each child who won a prize of even \$2.50 has saved the county over \$1000.00 in actual money to say nothing of what the campaign has meant as a health measure.

Mrs. Robbins is delighted with the results and wishes to thank each child and older person who worked so faithfully for the efforts put forth in the campaign.

A Benefactor

A physician who reaches out to benefit humanity leaves a record behind him that is worth while. Such a man was Dr. R. V. Pierce. His study along medical lines, and his knowledge of the remedial qualities of herbs and plants led to the discovery of his wonderful herbal remedy, Doctor Pierce's Favorite Prescription. It is just the tonic required if a woman is borne down by pain and sufferings at regular or irregular intervals, by nervousness or dizzy spells, headache or backache. Favorite Prescription can be had in tablet form as well as liquid at your neighborhood store.

A Statement to the Public by L. W. Baldwin, President of the

MISSOURI PACIFIC LINES

We Are Living in an Age of Changing Conditions

THERE are more than 20 million automobiles in the United States. Hardly a home exists that hasn't a radio, phonograph, piano, telephone and metropolitan daily newspaper in addition to farm papers and local publications. The circle of the family has been extended almost beyond measurement. The city dwellers now are intimately familiar with the country for miles in every direction—and the dwellers in the small towns and on the farms are as much at home in the big city hotels and theaters as they formerly were on the court house square or in the local "opry" house.

After three thousand years we have been set free from age-old conventions and not only has dress changed completely—manners and customs—our modes of thought—our entire lives have changed as completely and as radically as the changes in almost everything.

Manufacturing processes have advanced along with the procession. So have farming practices.

Our railroads have been endeavoring to not only keep pace with but keep a little ahead of the procession of progress. We have been successful to a marked degree. There is almost as much difference in railroad service of today and that of a generation ago as there is between the old telephone with its winding crank and the present automatic instruments, or between the old phonograph and the present combination radios. Railroad service has improved along with the extension and improvement of our mail service and the development of journalism.

Railroads are making progress, at times, in the face of most difficult handicaps. Development is much more difficult to accomplish than it is to talk about. Railroads need the sympathetic understanding and help of the whole people now as never before because our railroads work on a smaller margin of profit than any other industry. The public should study the railroad questions as diligently as they do the individual problems of each person—for transportation affects each individual—directly, personally and collectively—more than any one other factor in our present scheme of things.

Our railroads MUST continue to go forward. In order to do this, they must have the sympathetic understanding of travelers and shippers and the public generally.

I solicit your co-operation and assistance.

L. W. Baldwin
President
Missouri Pacific Lines

FROM THE FILES OF THE CAMERON HERALD TWENTY-FIVE YEARS AGO

Mr. Will Triggs, attending the business college at Waco, came down last Saturday on a visit home.

Messrs. W. A. and R. A. Nabours left last Sunday morning on a visit to El Paso.

Rev. C. C. Weaver went to Waco last Saturday to deliver an address under the auspices of the Young Men's Christian Association.

Mr. R. L. Tyson was in Thorndale a day last week on business.

Mr. John Watson went to Franklin last Monday afternoon on legal business.

Mr. L. M. York of near Hanover was trading in Cameron last Monday.

Miss Ola Ward of Marquez is in our city, being the guest of Miss Pearl Todd.

Miss Leila Woolley returned Saturday from Yoakum where she has been visiting several months. Her sister, Mrs. Robert Messimer, accompanied her and returned Monday.

Farmers are coming to town for supplies on two wheels of their wagons, and with this advantage four good mules are required in many instances to pull the vehicle through the mud. It is said that in the localities the roads are blocked with abandoned wagons.

At a meeting of the Cameron Fire Department last Monday evening it was decided to have an ice cream and strawberry supper April 15, at which time a sponsor for the racing team will be selected. The proceeds of the supper will go to pay the expenses of the team and delegates to the state meeting to be held at Corsicana, May 13, 14 and 15. Dr. John T. Arnold is vice-president of the State Association and Mr. Joe E. Krizan has been elected Cameron's delegate.

Last week Mr. T. H. Moore left for Waxahachie which place he will make

his future home. In partnership with Mr. Geo. A. Thomas he purchased a drug store in Waxahachie, and he will give that business his personal attention, withdrawing from the Cameron firm. We regret very much to lose Turner Moore as a citizen of our city and cheerfully commend him to the people of his new home as a gentleman and a citizen whom they will learn to value. He is a first class business man, a church worker, and is always ready to do his share in every good work. We have known him for twenty years and we are certain that the world would be better off with all men like T. H. Moore.

Cabbage is being sold in the coast country for cow feed and is said to be cheaper than hay. It was reported that one thousand pounds sold at Beeville for 35 cents. The yield is from 20,000 to 30,000 pounds per acre.

A bill appropriating the sum of \$155,000 for a State water and light system at Austin passed its third reading in the house last Saturday.

State of Texas

To the Sheriff or any Constable of Milam County, Greeting.

You are hereby commanded to summon unknown heirs of Berrell Judie by making publication of this citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your county, to appear at the next regular term of the District Court of Milam County, to be holden at the courthouse thereof in Cameron, on the fifth day of March, 1928, the same being the first Monday in March, 1928 then and there to answer a petition filed in said court on the 8th day of February 1928, in a suit, numbered on the docket of said court No. 9937, wherein Mimms Campbell is plaintiff and Alice Chance, Elijah Chance, Nancy Battles, Clinton Battles, Harrison Judie, Anderson Judie, George Judie, John Brush, Fayette Brush, Ethel Brush, Rebecca Brush and the unknown heirs of Berrell Judie deceased,

are defendants, said suit being an action for the partition of 116 1-2 acres of land out of the Levi Taylor grant in Milam County, Texas, known as the Charlie Judie place, by alleging that he is the owner of an undivided one-eighth interest in said land and all of the other defendants except the defendants John Brush, Fayette Brush, Ethel Brush and Rebecca Brush are the owners of an undivided one-eighth interest, each, in said land; that the defendant John Brush is the owner of a life estate in one-third of an undivided one-eighth interest and the defendants Fayette Brush, Ethel Brush and Rebecca Brush are the owners of an undivided one-eighth interest in said land, subject to the life estate of said John Brush in one-third thereof; that the plaintiffs and defendants are sole owners of said land; that same is of the estimated value of \$50.00 per acre and is incapable of partition in kind. Plaintiff prays for partition and for general relief.

Herein fail not, but have before said court on the said first day of the next term thereof, with your return thereon, showing how you have executed the same.

Witness, Penn Wolf, Clerk of the District Court of Milam County, Texas.

Given under my hand and the seal of said court, in Cameron this 8th day of February A. D. 1928.

Penn Wolf, Clerk,
41-4tc Dist. Court, Milam Co., Tex.

Art Exhibit

The art exhibit held at the Ada Henderson school attracted many visitors and elected the praise of all the spectators. This splendid collection of 150 fine prints reproduced directly from the originals in said to be the most artistic exhibit ever displayed here. The original of these are in the most famous art galleries of the world. A beautiful picture valued at ten dollars was won by Miss Edna Sprinkle's section of the first grade for selling the most tickets.

FOR SALE OR TRADE—House and lot in Houston for a farm in Milam County. Rents for \$40.00 per month. See Jno. Kennon, Maysfield, Texas.

Bridge With Mrs. Cottle

On last Friday afternoon in the parlors of the Country Club Mrs. S. A. Cottle entertained with bridge complementing quite a number of her friends.

All decorations were in green and white featuring St. Patrick. Streamers of green and white were draped over the doors and festooned all about the room where tiny shamrocks and narcissus gave floral touch and were placed on the mantle and piano. Table covers were in bright colors each marked with numbers in shamrock designs, while the tallies were Irish girls and boys.

At the conclusion of the games prizes were awarded. High score prize was a jade green costume pin and was received by Mrs. Rush Thomas. Second high was received by Mrs. O'Sheer Smith, a green crystal fan shaped vase. Low was a green shamrock box filled with Irish potatoes and the following catchy little verse was attached:

"Sure to bring tears to the eyes o' the tater,
To see ye play bridge like ye do;
But perhaps ye can learn the game later
Provided you're Irish too."

The hostess served shrimp salad, carrot and pineapple salad, cracker cake in shamrock design iced in green with hot tea. Plate favors were sireens in sun flower designs. Out of town guests were Mesdames Vernon McIntyre, E. L. Turner, Rusel Wine, all of San Antonio; Mrs. Swift of Gardner, Maine and John Snyder of El Paso.

State of Texas

To the Sheriff or any Constable of Milam County, Greeting:

You are hereby commanded to summon W. F. Traxler by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, to be and appear before the Honorable District Court of Milam County, Texas, at the next regular term thereof to be holden at the Court house in Cameron, Texas on 1st Monday in March 1928 same being the 5th day of March 1928 then and there to answer the Plaintiff's Petition, filed in said court on the 4th day of February 1928, wherein the State of Texas is plaintiff and W. F. Traxler is defendant. File number of said suit being No. 870.

The nature of the Plaintiff's demand as set out in said petition being an action to recover of the defendant the sum of \$79.54 as delinquent taxes due plaintiff for the years 1908, 1925 and 1926 including interest, penalties and costs, that have accrued thereon, said taxes, interest, penalties and costs being due upon the following described property, situated in the County of Milam and State of Texas and within the metes and bounds and territorial limits of said to-wit:

Being a part of the James Lewis One Third League: Beginning at Allen Johnson's N. E. corner; thence N. 19 W. 500 vrs to a stake for corner; thence S. 71 W. 1123 vrs to a stake for corner; thence S. 19 E. 500 vrs to a stake for corner; thence N. 71 E. 1133

And plaintiff further prays for the foreclosure of its liens against said property, to satisfy said taxes, interest, penalties and costs, for an order of sale, writ of possession, all costs of suit, and for general and special relief, all of which will more fully appear in plaintiff's original petition now in file in this office.

Herein fail not, and have you then and there before said Court, on the first day of the next term thereof, this Writ with your return thereon showing how you have executed the same.

Given under my hand and seal of said Court, at my office in Cameron in the County of Milam, this 4th day of February A. D. 1928.

Penn Wolf, Clerk,
41-4tc Dist. Court, Milam Co., Texas.
Lois Bigbee, Deputy.

Club Organized

A few young matrons of Cameron met at the home of Mrs. Clifton Jenness last Thursday and organized a bridge club. This will give Cameron six bridge clubs that meet bi-monthly. Mrs. C. W. Bradbury was elected president. Personnel of the new club is as follows: Mesdames A. E. Green, C. J. Green, Vernon Roberts, J. C. Young, Dan Collins, Clifton Jenness, S. Stirling, Eber Flinn and C. W. Bradbury. The next meeting will be Friday, March 16, 1928.

HATCHING EGGS—For sale from purebred high producer Barred Plymouth Rock. \$5.00 per tray or \$1.25 per setting. Also White Leghorn at \$4.00 per tray or \$1.00 per setting. Delivered. 95 per cent fertility guaranteed. John Stasa, Route 3, Buckholts, Texas.

Texas Sunshine and W. O. W. Hospital Save 2,000 Lives

The Honorable W. A. Fraser, a native Texan, now Sovereign Commander of the Woodmen of the World

TEXAS sunshine and the War Memorial Hospital of the Woodmen of the World located at San Antonio, have saved the lives of 2,000 men, women and children, according to figures compiled by W. A. Fraser, Sovereign Commander of the Woodmen of the World.

The report prepared by Mr. Fraser, which was presented to the Executive Council of the order, shows that during the four and one-half years' existence of the hospital, more than 2,000 patients have been returned to their homes, and saved from the ravages of tubercular disease.

"The hospital is an outgrowth of a life dream of mine," said Commander Fraser. "Being a native

Above—Woodmen of the World Hospital at San Antonio
Below—Part of herd of Jersey cows at W. O. W. Hospital, used exclusively for hospital patients

Texas, I have always appreciated the Texas climate and sunshine, and when we decided to build a big hospital I chose the site of San Antonio. I appreciated the fact that the hospital would do a great deal in saving the lives of Woodmen of the World members afflicted with tuberculosis, but I also knew that more important than all in the saving of life would be the Texas sunshine."

The Woodmen of the World hospital represents an investment of more than one million dollars. The hospital consists of 210 acres of land, completely equipped hospital, nurses' home, supervisor's building, barns and outhouses. It is a free sanatorium for tubercular members of the Society and has 225 beds. It is managed by Dr. H. Phil Hill, a man of unusual executive and professional ability.

Every cent of its operation and maintenance cost comes out of a special hospital endowment, therefore, without cost to membership.

The hospital equipment was furnished without cost to the Society and the original grounds with the original building was also secured by Sovereign Commander without assessing the cost to members.

In connection with the hospital a registered Jersey dairy for the benefit of patients is maintained, also a hog and poultry yard, vegetable gardens and farm, all for the benefit of patients.

Treatment, food, housing, surroundings and equipment are scientifically combined in this institution.

Branchville News

Brother Jameson conducted church services Sunday. Everyone was glad to see the piano as it was so badly needed. The Briary B. Y. P. U. came down Sunday night and gave a splendid program at the church. We ap-

preciate their help very much and there is a standing invitation for them to come again at their earliest convenience.

Miss Raley went to Smithville to visit her sister and brother this week end.

Miss Rushing visited her sister in Waco this week end.

Irvin Harlan was home this week end.

Miss Sue Tyson was home this week end.

There was a terrible gloom thrown over our little village last Thursday morning, when the death angel passed over the home of Mr. and Mrs. R. H. Yates and stilled the voice and patter of little feet of their darling little boy.

Little Charles Ray was taken suddenly sick Wednesday night. The doctor was sent for immediately. When he arrived at the bedside at twelve o'clock he saw that the baby was very serious and didn't have any hopes, but he worked so faithful and did all that was in his power. We know God giveth and God taketh away, so at two o'clock this little bright light went out.

The following relatives soon arrived at the home: Mr. R. H. Yates, parent; Mr. and Mrs. C. C. Yates, and brother Raymon and Mr. and Mrs. H. Cobb of Hawkins, Mr. and Mrs. J. B. Porter brother of Mrs. Yates and Mr. Billy Porter, an uncle from Rockdale; Mr. and Mrs. R. R. Tyson of Cameron; and Mr. and Mrs. C. Edds of Heidenheimer. Brother Jameson, our pastor and Brother A. Cockeral of Dawson held the funeral at four o'clock at the home and there was a large number of relatives and friends present. Such consoling things were said to the bereaved family. As we go into our flower garden and pluck our choicest flowers, so God goes into our gardens and plucks the flowers that he has given us for only a while, to take as he sees fit to make heaven seem all the more beautiful. All who know him grieve but those who know him best will grieve the most.

"It is for the best," so they said. As we stood by his head. But we doubted the word. That so often we heard; We could catch but the moan. As he lay there alone, And how we feel the blow Which has stricken us so. "Why" we cried should it be God must so punish me? Why should our boy die When are hundreds near by. Old and feeble of breath Waiting only for death? And they answered us low "God has ordered it so." But through the days and years That will have ended our tears, We will have memories rare That no other may share We may look back and see Why the blow had to be. By that mound and its sod We will live closer to God.

Jones Prairie News

By MRS. R. K. FONTAINE

The stork has again visited our community; this time at the home of Mr. and Mrs. Orval Canady making them the parents of a small son on March 1st.

Mr. and Mrs. Alma McKinney, Miss Ethel McKinney and Miss Eloise Boswell enjoyed several games of 42 at the home of Mr. and Mrs. R. K. Fontaine Monday evening.

Miss Mary Freeman has been ill the past week being unable to teach school.

Lloyd Patterson has been ill several days of this week.

Mrs. E. N. Fontaine and grandson, Fontaine Erskin of Temple visited Dr. W. J. Fontaine and family over the week end.

Mr. and Mrs. Sam Hickman were visitors in Cameron Monday.

We are very sorry to report of the death of Mrs. E. J. Hammond, a former resident of this community for many years, died last Tuesday morning in Waco. Death was caused from shock when her home became near being destroyed by fire the Saturday night before.

Mr. Story is spending his vacation with his wife, in the home of her father, A. J. McKinney.

Mr. and Mrs. W. J. Fontaine were Sunday dinner guests of Mr. and Mrs. Rodney K. Fontaine.

Miss Lola Anderson was the guest of Mrs. Davis Black the past week.

Misses Lucille, Willie Mae, and Margaret Johnson were shoppers in Cameron Saturday afternoon.

Woodrow Cone of Cameron was a guest of Roy Harper Sunday.

Misses Connie Mae, Jewell and Ethel Hickman and Mary Elenor Jones were shoppers in Cameron Saturday.

A group of young people of Little River church attended the B. Y. P. U. Zone meeting at Cameron Sunday afternoon but were sorry to say Walker's Creek won the banner.

Ray Love was a guest in our community this last Sunday.

Miss Jewelle Hobson spent the week end with the Love girls.

Sunday morning at Little River church talks were enjoyed by a good crowd given by the Missionary Girls. Miss Glass of China and Mrs. Donath of Africa. Miss Glass gave a very interesting little talk on the kind of missionary I want to be. Miss Glass has made three trips to China and was also born in China; her father and mother doing missionary work there now.

Rev. Cole preached Sunday morning and night at Little River church.

Sorry to report of the robbery Saturday night of Commodore Anderson's store. The loss amounted to about seventy-five dollars.

Misses Lorene and Walker Cox of Clarkson, attended church at Little River Sunday night.

We are sorry to report at this writing that Ethel and Homer Crook are sick with the flu.

Mr. and Mrs. S. S. Hickman and family spent Sunday in Cameron with Mr. and Mrs. Geo. Reanes where the family reunion was held.

Misses Evelyn and Helen Harrell have as their guest this week end Miss Louise Hearrell of Cameron.

Miss Lucile Johnson was on the sick list last week.

Stomach Gas Drives Man From Bed

"I had gas so bad I had to get up nights on account of the pressure on my heart. I used Adlerika and have been entirely relieved."—R. F. Krueger.

Even the FIRST spoonful of Adlerika relieves gas and often removes astonishing amount of old waste matter from the system. Makes you enjoy your meals and sleep better. No matter what you have tried for your stomach and bowels, Adlerika will surprise you.—Pace Marshal Drug Co.

ELECTRICITY---

Product of Individual Initiative

"The legitimate object of government is to do for a people whatever they need to have done, but cannot do at all, or cannot do so well for themselves in their separate and individual capacities. In all that the people can do as well for themselves, government ought not to interfere."

ABRAHAM LINCOLN.

In a little laboratory at Menlo Park, New Jersey, our present system of electric light and power service was born. There Thomas Edison working as an individual, accomplished what a world said could not be done. He succeeded in "subdividing" the electric current. He perfected a commercially practical incandescent lamp.

Since that time, almost fifty years ago, every forward step in the march of electrical progress has come thru the initiative of individual enterprise working under the protection of the principles on which our government was founded, and which are so clearly enunciated by Abraham Lincoln. It has not been necessary for government to attempt to furnish electric light and power.

The electric utility compan-

ies have provided an abundance of electric light and power that has helped to bring American living to the highest standards the world has ever known.

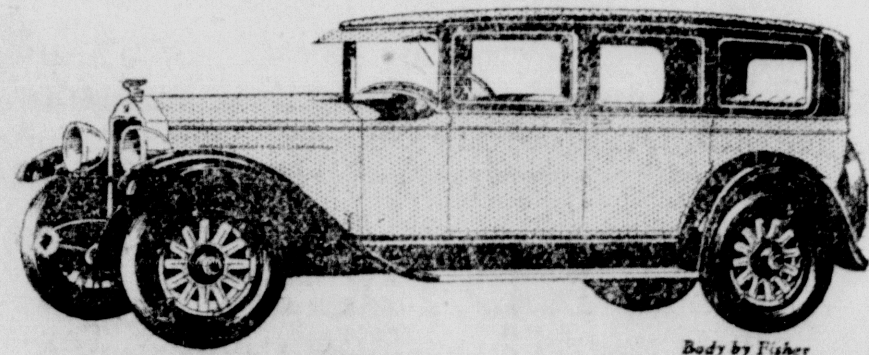

Earnings of the power companies are regulated. Yet sufficient freedom of individual initiative remains to attract the highest type of business and engineering leadership to their management and operation.

The electrical age in which we live had its origin in the freedom given to men of ability to plan and develop a system of public service which has been a practical benefit to all. The glowing promise of an even greater future rests on the preservation of these principles of freedom for individual initiative for which America has always stood.

ECONOMIC SIGNIFICANCE OF THE AMERICAN COTTON INDUSTRY—From latest volume in Manhattan Library of Popular Economics, republished in serial form through courtesy of Bank of the Manhattan Company, New York.

6

ARTICLE SIX

COTTON'S MANY PARTNERS

VERY much as each of the many processes having to do with cotton is part of a great interdependent whole, so this gigantic industry itself is a portion of the still vast structure of American business. To some extent it is dependent upon other industries but, to an extraordinary extent, other business of many kinds, big and little, in the greatest variety, is dependent upon cotton. Here is an even larger unity calling for a still wider view.

It is meant in no disparaging sense if we say that many people are "fly-eyed" and some few are "eagle-eyed," for really all people should be something of both. The fly with its many lenses sees an intensity of detail from a distance of a fraction of an inch; while the eagle, high aloft, has a range of miles. For ages humanity has been trying "close to its job" and travelling, when at all, upon the surface; and this has been most necessary because effectiveness calls for close attention to details. But latterly man has begun to emulate the eagle in the air, and many who have not yet ventured physical flight, have learned to rise mentally into the heights of larger view. Then, when they descend again to their tasks, they bring a consciousness of important relations that previously had not been fully appreciated.

This viewpoint has an especial value in considering cotton, for the grower and the ginner are engaged in many kinds of business of which they rarely even think. So also are the manufacturer and distributor.

For example, the American manufacturer of automobile tires produces some 102,655,000 per year, according to the Census of 1923. Less than one per cent of these are made entirely of rubber; the balance consist of a rubber facing applied to a cotton base. Tire manufacture in this country consumes the equivalent of 500,000 bales annually.

Thousands of bales more go into automobile upholstery, including the large quantity of cotton fabric that is converted into artificial leather. Fifteen million Ford cars alone are said to have required a million bales. Other bales of cotton go into the upholstering of furniture, the binding of books and the many other applications of artificial leather.

America produces 645,000,000 pairs of boots and shoes per year. Nearly all of these are lined with cotton duck, or have cotton fabric in their composition. A similar thing is true with the product of the large baggage industry.

And then there are the manufacturers of towels and other household cloths, of sails and tents, or awnings, flags, draperies, wall coverings and road markers, or hose and of certain kinds of machinery belting—these could not operate at all if their supply of cotton fabric were cut off. The same thing is true of many apparently incidental uses while as to the almost univer-

sal clothing industry—imagination hesitates to picture what would result from a sudden termination of the flow of cotton goods; hundreds of thousands of sewing machines would be stalled and the great factories that produce them would be driven into bankruptcy; millions of needles would cease to flash and armies of hungry workers would vainly storm at the gates of other industries or riot in the streets; stores would close; banks would crash and the entire American public would discover that it had been unconsciously a partner in the cotton industry upon whose welfare its own welfare is so closely dependent.

Cotton furnishes the cellulose from which high explosives are made. America's first line of defense is found in the cotton fields of the South. The peacetime employment of explosives in mining, engineering, building and agriculture also is large and constant. The manufacture of the vegetable

celluloid and the enormous motion picture industry arise from the same field, and so also do the various other industries dependent upon the linters and seed, not overlooking that very new activity, the making of "rayon."

Nor must sight be lost of the far-reaching effect of the annual inflow of approximately nine hundred million dollars, on the average, which comes to America in exchange for cotton shipped abroad.

In no small degree, therefore, American agriculture, industry and foreign trade are dependent upon the South's production of cotton.

The foregoing list is not exhaustive, only suggestive, but it indicates that the cotton industry must be regarded as one of the most essential factors in the great unity of American welfare. In all of this the need for a constant and conscious spirit of cooperation is primary.

(Next Article, "THE LESSON OF '26.")

Other business of many kinds, big and little, in the greatest variety, is dependent upon cotton

He bore out the prediction I have made several times in my letter to you, that he was not interested in any of the other offices.

L. J. Wardlow of Fort Worth, Moody's opponent for the gubernatorial nomination, announced his platform last week, in which he says he is for less taxation, less pending of money, better schools and roads, fewer bond issues, wants every city man who labors to join a union, wants to stop cotton futures speculations and favors paying bounties for criminals.

The race for the senate is beginning to warm up a bit. Alvin Owsley opened his campaign in Denton Saturday. Tom Conally was in Austin last week, lining up his supporters. So far, Mayfield has been doing his fence building quietly. Another month will set the campaign well under way.

The lieutenant governor's race is still pretty quiet. There is an impression out that Barry Miller may run again, in an effort to beat Tom Love. It is likely that if he gets in the race several now in it will drop out, and then we will see a hot race between Barry and Tom.

Well, Mr. Editor, there isn't much more news in politics this week. I will write you if I hear anything else that is new.

Respectfully,
Thomas Jefferson Brown.

H. D. Council Meets

The County Council met Saturday March 3rd at two o'clock for a regular meeting with the following ladies present:

Duncan H. D. Club, Mrs. W. Schwartz and Miss Mabel Modesette. Ben Arnold H. D. Club, Mrs. W. Vogelsang.

Bryant Station H. D. Club, Mrs. Truman McAnnulty.

Jones Prairie H. D. Club, Misses Ethel McKinney and Eloise Rosewell. Hoyte H. D. Club, Mrs. Clyde Hensley.

Miss Modesette read the roll call and the minutes of the last meeting in the absence of the Secretary, Mrs. W. R. Newton.

The committee on officers submitted the name of Mrs. W. Vogelsang to be voted on for chairman and was unanimously elected.

The clubs of Milam county are planning a canning contest for the present year with the purpose of not only encouraging the production and preservation of sufficient foods for family use but also to provide these foods in the necessary varieties that are essential to healthful living.

The following committee as representatives of each club will submit rules to be used in this contest: Miss Edna McKinney, Mesdames W. Vogelsang, B. E. McAnnulty, Clyde Hensley, B. M. Jennings, Ike Ditto and Jack Dunham.

Each club voted to give fifty cents toward the scholarship fund that enables the H. D. Clubs of Texas to give a scholarship of \$200, to some deserving 4-H Club girl.

After all business was dispensed with Mrs. Vogelsang gave a very interesting and enlightening review of the marketing school which she attended with Miss Bartholomew at College Station, February 29, 1928.

Order of Election

BE IT RESOLVED by the City Council of the City of Cameron, Texas that an election be held in said city of Cameron on the 3rd day of April A.D. 1928, the same being the first Tuesday in said month, for the purpose of electing the following officers, to-wit: Mayor, City Attorney, Assessor and Collector, Secretary and Treasurer, City Marshal and two Aldermen for a term of two years from said date, and it is so ordered.

Said election shall be held at the city hall of the city of Cameron, and the following named person is hereby appointed as manager of said election, to wit, John B. Henderson, presiding judge, and he shall be authorized to appoint such assistants and clerks as may be necessary to hold said election in accordance with law. The manner of holding said election shall be governed by the laws of the State of Texas, regulating general elections.

A copy of this order, signed by the Mayor, shall serve as a proper notice of said election, and the Mayor is directed to cause notice of said election to be posted at the place designated for holding said election and by publication in some newspaper published in the city of Cameron, for at least thirty full days prior to the date of said election.

Introduced by Alderman, J. B. Brown.

Passed at a regular meeting of the City Council of the city of Cameron, Texas, this the 21st day of February, A. D. 1928.

Judd G. Davis, Mayor,
43-4tc City of Cameron, Texas

NEW CAMERON DRUG COMPANY**THE REXALL STORE****"Only The Best"****Cameron, Texas****Under The Capitol Dome**

Austin, Texas, March 5, 1928
Editor Cameron Herald,
Dear Sir:

I've seen one political meeting in Texas in which horse sense prevailed over horse play. I am referring to the meeting last week of the state democratic executive committee.

There has been a lot of discussion and argument since then about their actions, but I claim they showed a lot

of sense in everything they did. They did not adopt a resolution indorsing the administration of Governor Mody, which caused a lot of talk. It wasn't their place or duty to do it. The state executive committee is a body picked to handle the machinery of the party in the state and not to voice the opinions of the people. Conventions, and only conventions, which delegates se-

lected directly from the people, can do that.

This stuff of state committees presuming to speak for the people doesn't mean a thing. Two years ago the committee indorsed Mrs. Ferguson's administration, but the people did not do it four months later.

The committee did adopt a resolution against party bolters, which is proper, for the statutes provide that the committee may and shall fix the party rules governing primary elections. It is hard to see how any real democrat could object to a rule requiring those who go in the primaries to abide by the results, for one of the fundamental tenets of the party is to abide by the will of the majority.

A lot has been said about the failure of the committee to adopt a resolution having to do with precinct and county conventions instructing their delegates. It looks to me like it would have been presumptions for the committee to have said anything on that subject.

The most powerful political body in Texas is the little old precinct convention, for it is composed of the sovereign voters, themselves. Nobody can tell or suggest to them what to do.

Next in power is the county convention, for its delegates come direct from the precinct convention, where they have just heard the will and mandates of the voters. Then comes the state convention, whose delegates were selected by the county conventions. The state convention creates the state democratic executive committee. Therefore, it would not be good taste for the committee to tell the people who created its creator what to do.

Besides, there will be plenty of instruction done in Texas at the precinct and county conventions, without any hints from the state committee. The biggest county delegation at the convention will be the Dallas county crowd, 86 strong, and don't worry but what they will be instructed—and instructed against Al Smith, too. It would take the votes of 50 or more counties with light votes to offset the force of this one county.

Bexar county will have 34 votes in the state convention, and these probably will be for an uninstructed delegation to the national convention at Houston. Harris county will have 23 votes, doubtful but possibly uninstructed. Tarrant will have 17, instructed against Smith; El Paso will have 15, uninstructed; Travis will have 13, instructed; Hidalgo will have 14, doubtful.

The meeting of the state committee and a plan to offer a resolution indorsing him for the presidency or vice presidency caused Governor Moody to issue a virtual announcement of his candidacy for re-election.

As A Banking By Mail Customer

You'll receive just the same prompt, careful, absolutely confidential attention that you would if you visited us every time you had funds to deposit. Of course, we're always glad to see our customers—but we realize that serving them with the greatest efficiency is better from their standpoint than seeing them every few days.

JUST KIDS—An Ounce of Prevention, Etc! By Ad Carter

Texas and Texans

By Will H. Mayes

Co-Operative Marketing

Farming is a difficult business to organize into any kind of co-operative effort. This is largely because so many farmers are tenants and so many are so poor that they feel compelled to sell when products are ready for markets. The allied or side lines of farming, like poultry raising and dairying get held together better than the general farmer. The effect of this is likely to be that seeing the decided advantages of co-operation in these lines, the farmer will be more ready to join with others in marketing cotton, wheat, corn and other farm products.

The poultry and egg business is rapidly organizing in convenient mar-

HOPELESS

Weak, Thin, Nervous
Woman Gets Strong,
Gains Weight.

Mrs. L. N. Crawford, Jr., of Logansport, La., writes: "I felt perfectly hopeless. Life wasn't worth living, it seemed. I felt like giving up but, you know, a woman with a family just can't do that. I was weak, thin and nervous. I tried so many things but didn't get better. Finally I asked my husband to get me some Cardui. After I had taken three bottles, I was like a new person."

"I gradually resumed my work around the house and went places. I quit suffering. Now I am strong, in good weight, and feel fine."

Thousands of women have been helped by Cardui, in a similar way, in the last 45 years.

CARDUI
A Vegetable Tonic

keting district. Around San Antonio counties—Bexar, Wilson, Frio, Atascosa, Medina, Kendall, Comal, Guadalupe, Kerr and Brooks—are forming a marketing association for handling the eggs from at least 100,000 hens. Other nearby counties will be invited to join with them.

Plains Country Eggs

The six counties of Swisher, Motley, Briscoe, Lamb and Hale have formed an association like that at San Antonio with an ultimate goal of 200,000 hens. Other sections are doing the same thing. Business men and bankers are everywhere lending their help in creating these poultry and dairy associations, knowing it is to their interest to have the farmers rather than the middleman get the rewards of their labor.

Acreage Reduction Activities

The only way left to insure cotton acreage reduction—and reduction is absolutely necessary to increased prices—is for farmers, bankers and business men in every precinct in Texas to go to work unitedly and wholeheartedly to bring about definite agreements on the part of those who grow cotton.

The time for action is short, and whatever is to be done should be done at once. Texas should do its full part to bring cotton back to a profitable price.

Stealing Goats

The Sheep and Goat Raisers' Association is paying a nice reward for the arrest and conviction of parties stealing sheep or goats and has paid the sheriff of Bandera \$250 in rewards. In Travis county a man indicted for stealing goats is out under a \$10,000 bond. Sheep and goat rustling is to be made a hard business in Texas.

Killing Bell County Rats

Rats are out of luck if they chance to get into Bell County, 315,160 having been killed there recently by eight schools. Attention is to be turned now to killing the rattlesnakes of the county.

Beat Their Fathers

The boys studying vocational agriculture in the Atlanta High School put their studies into practice last year and cleared \$3,960.22 from their 62 bales of cotton grown, making larger yields and greater clear profits than was made by their fathers. One boy made over five bales from five acres of land.

Helpful Club Women

The Women's Federated Clubs at Wellington have raised \$500. towards the library fund of the public schools and 300 volumes have been ordered. The library recently burned and its restoration has been brought about largely by the activities of the teachers and the local club women. Women's clubs that do work like that are a town's most valuable asset. The Wellington Leader says that they

show a tremendous interest and loyalty in the welfare of the community.

Defines the Perfect City

The Spearman Reporter says that while Spearman is not a perfect city it is striving toward perfection. It gives its idea of what constitutes a perfect city. "Perfection is not merely a matter of population. On the contrary, the perfect city may be the smallest, but it must be the best place in which to live, the most satisfactory place in which to work and transact business and the most attractive place for visitors. It must stand out prominently as the city of friendliness and neighborliness—the city that loves to give attention to the little things that make visitors want to return."

I am glad to pass that definition on to a large number of other places. Wouldn't this be a fine old world if all the cities even approached the Reporter's ideal city?

Some Good Advice

The Lampasas Record recently gave this good advice: "If a town is not properly located to support a cotton mill or clothing factory maybe it is properly situated to support a cheese factory, a peanut factory, a milk condensing factory, a cement factory or some one or more of the many things that are operated in other places."

Yes, maybe a canning plant or a broom factory, or even a coat hanger factory. Shiner recently shipped 185,000—a carload—of coat hangers to a Houston firm. Round Rock brooms are famous. Fredericksburg has landed two new industrial plants since

Salts Fine for Aching Kidneys

Eating too much meat may clog the kidneys, then the back hurts.

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness, and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days, and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also helps neutralize the acids in the urine so it no longer irritates, thus helping to relieve bladder disorders.

Jad Salts is harmless, inexpensive; makes a delightful effervescent lithia water drink which everybody should take now and then to help keep their kidneys clean.

A well-known local druggist says he sells lots of Jad Salts to folks who believe in trying to correct kidney trouble while it is only trouble.

the first of the year—a broom factory and a battery factory. A battery factory has been started at Santa Anna.

Get enough small industries started and the larger ones will be more easily secured.

After Natural Gas

Central Texas towns now eagerly at work to secure natural gas include Bartlett, Granger, Taylor, Georgetown, Hutto, Rockdale, Cameron and Round Rock, to all of which a gas company has submitted gas propositions based on required numbers of subscribers.

Lamesa and other towns between Midland and Lubbock have met the requirements for natural gas from the Amarillo fields. Gas mains from the Stamford gas field are being laid to Rotan. It will not be a great while until the towns in Texas without natural gas will be as few as those without electric lights.

Dilley Tourist Park

Dilley is to have a modern tourist park ready for the spring and summer tourist travel. The driveways will be beautified with citrus and ornamental trees and native shrubbery to present a tropical appearance. Dilley is also attracting much attention as the center of a narea in which English walnuts thrive. Even Dilley's near neighbors will soon be going over to see an attractive city.

Feed Crop or No Loan

According to Dr. T. B. Benson, president of the Bartlett National Bank, farmers who get loans from that bank

SULPHUR CLEARS A PIMPLY SKIN

Apply Sulphur as Told When Your Skin Breaks Out

Any breaking out of the skin on face, neck, arms or body is overcome quickly by applying Menthosulphur. The pimples seem to dry right up and go away, declares a noted skin specialist. Nothing has ever been found to take the place of sulphur as a pimple remover. It is harmless and inexpensive. Just ask any druggist for a small jar of Rowles Menthosulphur

this year will have to show that they have feed for stock and seed for planting. He says: "We are living in the greatest country God ever made but the farmers will have to practice di-

versification to get along. A farmer raises his own feed and has his own garden he will have no need for a grocery store except to sell his produce."

HEADACHE

You can't do an honest day's work, have a moment of comfort or pleasure or make a favorable impression on those with whom you come in contact when you have headache.

DR. W. B. CALDWELL
AT THE AGE OF 63

Women Need a Mild Laxative—Not a "Physic"

Countless girls and women now know how foolish and needless it is to "purge" and "physic" themselves to avoid sick headache, dizziness, biliousness, yellow skin, colds, or sour, gassy stomach.

They have found that Dr. Caldwell's Syrup Pepsin helps to establish natural bowel "regularity" even for those heretofore chronically constipated. Dr. Caldwell's Syrup Pepsin not only causes a gentle, easy bowel movement but, best of all, it never gripes, sickens or upsets the most delicate girl or woman. Besides, it is absolutely harmless and so pleasant that even a cross, feverish, bilious, sick child gladly

takes it. Buy a large 60-cent bottle at any store that sells medicine or write "Syrup Pepsin," Monticello, Illinois, for a FREE SAMPLE BOTTLE and just see for yourself.

Order of Election

BE IT RESOLVED by the City Council of the City of Cameron, Texas that an election be held in said city of Cameron on the 3rd day of April A.D. 1928, the same being the first Tuesday in said month, for the purpose of electing the following officers, to-wit: Mayor, City Attorney, Assessor and Collector, Secretary and Treasurer, City Marshal and two Aldermen for a term of two years from said date, and it is so ordered.

Said election shall be held at the city hall of the city of Cameron, and the following named person is hereby appointed as manager of said election, to-wit, John B. Henderson, presiding judge, and he shall be authorized to appoint such assistants and clerks as may be necessary to hold said election in accordance with law. The manner of holding said election shall be governed by the laws of the State of Texas, regulating general elections.

A copy of this order, signed by the Mayor, shall serve as a proper notice of said election, and the Mayor is directed to cause notice of said election to be posted at the place designated for holding said election and by publication in some newspaper published in the city of Cameron, for at least thirty full days prior to the date of said election.

Introduced by Alderman, J. B. Brown.
Passed at a regular meeting of the City Council of the city of Cameron, Texas, this the 21st day of February, A. D. 1928.

Judd G. Davis, Mayor, City of Cameron, Texas

School nurse says all girls should know this

TALKING to a roomful of high school girls on personal hygiene, an experienced district nurse said: "One of the basic rules of health for girls is to keep the system functioning naturally at all times. Normal exercise and diet habits should be encouraged. But when necessary there's no harm in taking nujol, since it works mechanically and can't disturb the normal functions of any organ of the body. Particularly with girls, there are times when nujol should always be taken. Take a spoonful every night for a few days. It's a thoroughly safe and harmless method. It won't cause distress or gas pains or griping."
Nujol is different from any other substance. It contains no drugs or medicine. It can be taken safely no matter how you are feeling because it is so pure and harmless, and works so easily. Every woman should keep a bottle on hand. Every druggist has this remarkable substance. Get the genuine.

Coming To Cameron DR. MELLENTIN SPECIALIST

in Internal Medicine for the past fifteen years

DOES NOT OPERATE

Will be at Auditorium Hotel Thursday, March 22nd Office Hours: 10:00 a. m. to 3:00 p. m.

ONE DAY ONLY

No Charge for Consultation

Dr. Mellethin is a regular graduate in medicine and surgery and is licensed by the state of Texas. He does not operate for chronic appendicitis, gall stones, ulcers of stomach, tonsils or adenoids.

He has to his credit wonderful results in diseases of the stomach, liver, bowels, blood, skin, nerves, heart, kidneys, bladder, bed wetting, catarrh, weak lungs, rheumatism, sciatica, leg ulcers and rectal ailments.

Below are the names of a few of his many satisfied patients in Texas who have been treated for one of the above named causes:

Mrs. Alfred Pfeil, Fredericksburg.
Mrs. Frits Wilke, Albert.
Mrs. I. N. Pond, Amarillo.
Mrs. W. R. Thomas, Athens.
A. A. Krause, Yoakum.
Mrs. Nora Hillboldt, Cat Springs.
Mrs. M. A. Martin, Lorenzo.
Mrs. J. S. Mitchell, Farmerville.

Remember above date, that consultation on this trip will be free and that his treatment is different.

Married women must be accompanied by their husbands.

Address: 211 Bradbury Bldg., Los Angeles, California. 44-3tp

THE BANKER-FARMER MOVEMENT GROWING

There are several reasons for the growth of the banker-farmer movement in Pennsylvania. William S. McKay, Chairman of the Agricultural Committee, Pennsylvania Bankers Association, has reported to the Agricultural Commission of the American Bankers Association. The cooperation and leadership of the county agents in the several counties of the state; the appointment and functioning of county chairmen of agriculture known as Key Bankers, one of whom there is in each county of the state; and the organization of county bankers associations, whereby agriculture is given consideration by all the banks, are responsible for this interest. The following table shows the activities for the year:

Project	Number of Counties
Sent young farmers to state college for special course	5
Encouraged farm shows	16
Held agricultural tours	6
Sponsored various club activities	38
Gave illustrated lectures on poultry, cow testing, and improved farm methods	1
Distributed purebred livestock, chicks, and disease-free potatoes	13

"There is probably no class of business men that has a greater opportunity for helpfulness than the bankers in this movement," declares Mr. McKay. "It builds up a substantial community which makes for better banking institutions; it adds to the material prosperity of our state, but above all, it is the expression of a service which will react favorably upon the character of those interested."

BANKERS HELP OUT

The Oklahoma Bankers Association for the past twelve years has financed through its five groups ten scholarships in the A. & M. college at Stillwater. The winners are chosen by the Extension Department of the college on the basis of the club work done by the boys and girls over a certain period of time. The groups of the association finance the first year of the winner's college work.

The president of a national bank in Fayetteville, Arkansas, has been credited with doing more for the farmers of his section than any other one man. His work has consisted of introducing pure bred Holstein cattle into his county, helping employ a county agent, donating prizes to boys and girls in club work, and distributing better seed.

Here are some of the things accomplished in Randolph County, Ark., with the help of bankers last year: forty-three purebred gilts were bought at a reasonable price and placed with boys and girls, on notes; three thousand eggs from high producing hens were distributed with the idea of developing flocks of at least one hundred hens on every farm; four pure bred Jersey bulls whose dams had a record of over 700 pounds butterfat, have been purchased by the banks and will be paid for out of service fees.

Mr. and Mrs. W. B. Farmer of Temple and Mr. and Mrs. W. D. Farmer of Independence, Washington County, spent Thursday in the home of Mr. and Mrs. B. F. Bailey enroute to Temple.

Mr. and Mrs. Conn Miller spent last week end in Temple, where Mr. Miller was a patient in a hospital. Mr. Miller went earlier in the week but Mrs. Miller and Cyrus went up for the week end.

THE CENTAUR COMPANY, NEW YORK CITY.

An Ordinance

AN ORDINANCE for the protection of the public health; regulating the inspection of cattle, sheep, goats and hogs intended for slaughter and for sale within the city of Cameron, Texas; providing for an inspector of animals who shall be known as the Sanitary Officer; prescribing the duties of the Sanitary Officer as animal inspector; requiring post mortem examination and inspection of meat possessed or offered for sale within said city of Cameron; providing for form of certificate of slaughter; fixing fees of inspection; prescribing the duties of persons offering for sale, possessing for purposes of sale or for purpose of offering for sale or selling any carcass, body or portion of carcass or body of animals; providing penalties; and declaring an emergency.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CAMERON, TEXAS:

Section 1. There is hereby provided for an inspector of animals intended for slaughter for the purpose of sale or offering for sale in the city of Cameron, Texas. Said inspector shall be known as the Sanitary Officer of the city of Cameron.

Section 2. It shall be the duty of the Sanitary Officer of the City of Cameron to inspect all cattle, sheep, goats and hogs intended for slaughter for sale or for possessing for the purpose of sale or offering for sale within the city of Cameron, upon the written or verbal request of any person; and said Sanitary Officer of the City of Cameron shall make said inspection within two day-light hours after said request is made of him. Said Sanitary Officer shall not be required to go further than two miles outside of the city of Cameron to make an inspection.

Section 3. It shall be the duty of the Sanitary Officer of the City of Cameron to issue a certificate, to be known as a "certificate of slaughter" to the person requesting inspection of any head of cattle, sheep, goat or hog, for each animal found to be wholesome and fit for human food by said officer.

Section 4. It shall be the duty of the Sanitary Officer of the City of Cameron to refuse to issue a certificate of slaughter to any person covering any head of cattle, sheep, goat or hog

that is found after inspection to be unwholesome or unfit for human food.

Section 5. It shall be the duty of the Sanitary Officer of the City of Cameron to issue, at the request of any person desiring to sell any carcass of any inspected animal to more than one person for resale, as many duplicates of certificate of slaughter as may be requested, said additional certificate to be marked duplicate and designated as 'a', 'b', 'c' and so on, according to the number issued, in addition to the number of the certificate.

Section 6. It shall be the duty of the Sanitary Officer of the City of Cameron to make a post mortem examination and inspection of all animals whose meat is possessed for the purpose of sale or offered for sale within the city of Cameron and, after such examination and inspection, if the said meat is found to be wholesome and fit for human food the said officer shall place a stamp upon it showing that it has been city inspected and passed; provided, however, that this ordinance shall not apply to the meat or food products manufactured from the meat of cattle, sheep, goats or hogs slaughtered and inspected under the supervision of the United States Government in accordance with the regulations relating to the inspection of meat as prescribed by the Department of Agriculture of the United States and bearing the stamp of such inspection, or to any such meats slaughtered and inspected under the supervision of an official meat or food inspector of another city or this state, in which the inspection of the meat has been approved by the Sanitary Officer of this city, and bearing the stamp showing that such meat has been inspected and passed by the meat and food inspector of such other city. If the meat of said animals possessed for sale or offered for sale within the city of Cameron is found, after such examination and inspection, to be diseased, unsound, unwholesome or otherwise unfit for human food for any cause enumerated in Section 7 of this ordinance, or any other condition not therein enumerated but which causes it to be diseased, unsound, unwholesome and unfit for human food it shall be the duty of said Sanitary Officer to condemn the same and to order that said meat be destroyed.

Section 7. The following animals are hereby, for the purpose of this ordinance, declared to be unwholesome

and unfit for human consumption, to-wit: any diseased animal of any kind; any seriously wounded, bruised or injured animal; any sick, feverish or unhealthy animal; any weak, emaciated or badly drawn animal; any animal poor and weak from old age; any animal with sores, ulcers or other irruption; any bull of a greater age than six years; any cow or heifer in a condition of pregnancy further advanced than six months; any ewe-sheep or nanny goat in a condition of pregnancy further advanced than eight weeks; any female animal within suckling period; provided that the enumeration of the classes of animals herein shall not operate to exclude from the definition any animal which may be unwholesome or unfit for human food by reason of some condition not enumerated.

Section 8. For each head of animal inspected by him there shall be paid to the Sanitary Officer of the city of Cameron by the person requesting inspection the sum of 25c, and said fees to be paid before the inspection of said animals; and the said fees to include issuance of certificate of slaughter in case condition of animal permits issuance; and for the issuance of each duplicate certificate of slaughter the said Sanitary Officer of the city of Cameron shall be paid in advance by the person requesting same, the sum of 10c.

Section 9. The following shall be the form of the certificate of slaughter which shall be issued by the Sanitary Officer of the city of Cameron covering each animal found to be wholesome and fit for human consumption, to-wit:

City of Cameron, Texas Certificate of Slaughter

No. _____
I hereby officially certify that I have this day inspected at the request of _____ slaughterer
owner, one _____
about _____ old; about _____
pounds in weight; color _____; marked _____; branded _____
and have found said animal fit for slaughter within the next _____ hours.
This the _____ day of _____
A. D. 19 _____, at _____ o'clock, _____ M.

Sanitary Officer City of Cameron, Texas.

Section 10. It shall be the duty

of the Sanitary Officer of the City of Cameron to keep a carbon copy of each certificate of slaughter issued by him, and each duplicate of certificate of slaughter; and any Sanitary Officer of the City of Cameron failing to keep such copy shall be guilty of a misdemeanor and shall, upon conviction, be fined in a sum not less than one or more than one hundred dollars.

Section 11. It shall be the duty of every person offering for sale, selling or possessing for the purpose of sale or offering for sale, any carcass or body or portion thereof, of any cattle, sheep, goats or hogs, to keep subject to public inspection at the place of sale or offering for sale the certificate or certificates of slaughter, covering said slaughtered animal or animals; and any such person refusing to permit such inspection of such certificate of such carcass, carcasses or portion thereof at any reasonable hour, shall be guilty of a misdemeanor and shall, upon conviction, be fined in any sum not less than one nor more than one hundred dollars.

Section 11A. Any person firm or corporation who shall sell, offer for sale, or possess for the purpose of sale any carcass or body, or any portion of any cattle, sheep hog or goat within the city of Cameron without first having in his possession a certificate of slaughter duly issued and signed by the Sanitary Officer of said city, covering the animal which, or any portion of which, is sold, offered or possessed for the purpose of sale, or which bears the stamp of said officer showing that post mortem inspection has been made and same has been city inspected and passed, or which comes within the classification provided for in Section 6 of this ordinance relating to meat or food products slaughtered and inspected under the supervision of the United States Government and bearing the stamp of such inspection, or to any such meats slaughtered and inspected under the supervision of an official meat or food inspector of another city of this state, in which the inspection of the said meat has been approved by the Sanitary Officer of this city, and bearing the stamp showing that such meat has been inspected and passed by the meat or food inspector of such other city, shall be guilty of a misdemeanor and, upon conviction thereof, shall be fined in any sum not less than one nor more than one hundred dollars.

Section 12. Nothing in this ordinance shall be construed to require the inspection hereunder of any animal raised slaughtered and sold by the owner thereof incidentally, the said seller not then and there engaging in the butcher or meat selling business as an occupation.

Section 13. All ordinances and parts of ordinances in conflict herewith are hereby repealed.

Section 14. The fact that animal flesh that is unwholesome and unfit for human consumption has been sold in the city of Cameron and there is no adequate ordinance compelling the owners of slaughtered animals to have same inspected so as to prevent such conditions, and that the protection of the health of the public of said city demands prompt action, creates an emergency and an imperative public necessity requiring that the rule providing for the reading of ordinances at three meetings of the City Council be suspended, and said rule is hereby suspended, and this ordinance be put upon its final passage and shall take effect from and after its passage and approval by the Mayor and its legal publication, and it is so ordained.

Passed this 6th day of March, A. D. 1928.

Approved this 6th day of March A. D. 1928.

Judd G. Davis, Mayor,
City of Cameron, Texas
Attest: J. C. Joseph, Secretary,
City of Cameron, Texas.

Gause News

Rev. G. C. House of Wheelock filled his appointments at the Methodist church last Wednesday night and Sunday morning and night.

Miss Edrie Wilson, student in San Marcos, is visiting her homefolks for a few days.

Mr. and Mrs. Allen Varner had as their guests last week, Mr. and Mrs. R. E. Doty, Mrs. Harry Taylor and daughter, Lillian, Miss Carrie Lee Cox and Mr. Clyde Cox of Houston.

We are glad to report that Brown Ely is able to be at home after being in the Cameron hospital for several weeks.

Miss Roberta Holden visited her

parents in Franklin, Saturday and Sunday.

Emma Howard and Elaine Thomas visited their aunt in Franklin last week end.

Mrs. W. H. Anderson was in Cameron one day last week.

Mrs. Oris Partridge, of Goose Creek and Mrs. Clark Walker of Houston are visiting their mother, Mrs. Lockhart.

Mr. J. T. Tidwell and family of Waco, spent Monday with his mother, Mrs. J. T. Tidwell.

Miss Crenshaw is sick and Miss Eloise Thomas is teaching in her place.

A number of Gause citizens met at the Methodist church Friday night, March 2, for the purpose of organizing a Civic League. Quite a lot of interest was taken and the following officers were elected. Mr. M. L. Russell president and Mrs. B. T. Godfrey, secretary.

The farmers have been busy in their fields, taking advantage of the pretty weather.

Meat Canning Staged at Ben Arnold

An all day meat canning demonstration was staged at Ben Arnold Tuesday, February 27th under the direction of Miss Bartholomew, Home Agent and Mr. Geo. Banhaf, County Agent. When the Agents arrived at nine o'clock at the home of Mr. Kelm they found about 300 pounds of meat to be put into cans and also a big crowd of men and women not only there to find out how to put up meat the best way but incidentally to help in the canning. With all hands busy by 3:30 o'clock the following foods had been put into cans ready to be served at a minutes notice: 66 cans of roast, 8 cans of steak, 31 cans of chili, 26 cans of vegetable soup mixture, 18 cans hash, 7 cans of soup stock, making a total of 159 cans, which would sell at fifty cents per can on the market.

The Home Agent calls attention to the fact that meat preservation of this kind should be done before warm weather, as it is very impractical to try to handle so much on a warm day.
